Industry Asks Rate Changes

Water Charges Called Unfair

Mansfield's larger industries want present water rates modified.

The News-Journal learned today that large firms want a readjustment which they claim would distribute the burden of the recent rate increase more fairly.

They outlined their views at a closed meeting with members of city council's water committee, held Wednesday night in the Chamber of Commerce assembly room. While some of the men who attended were willing to explain the issues, they asked that their names not be published.

Industry's representatives contended that under the recent readjustment of water rates, industries that use great quantities of water and the residential consumer who uses the minimum, or just above it, have been made to bear the brunt of the increase.

They cite the increase in the residential minimum from $3 to $4.50 for six months and the boost in large industrial rates from eight to 15 cents per 100 cubic feet to support their contention.

MIDDLE USER CITED

Industry's representatives were reported to have argued that the middle quantity users were not taking their full share on the increase, pointing to the fact that the great bulk of their water now is delivered for only a cent more per 100 cubic feet at 21 rather than the 20 cents that prevailed before rates were increased.

The industrial leaders reportedly also wanted to know when the present rates, that were termed temporary by the city at the time the increase went into effect, would be changed. The councilmen told them that no change would be made until Sanitary Engineer B. V. BeVier finished his customer analysis, which will take several months more.

The recent rate increase was made necessary by the fact that the city needed more money to complete the Clear Fork waterworks project and that the only way to get it was to borrow the money.

Before such a loan could be floated, the city had to show where the income needed to service the bonds would come from and necessarily had to raise the rates.

Fuss Blocks Draft Moves

WASHINGTON —(AP)— A new tug-of-war between the rules and armed service committees threatened today to stymie House action on draft legislation.

Even as the clash developed the House received President Truman's request for $2,484,441,000 more for the expanding defense program. This brings total defense estimates to over 14 billions for the year starting July 1.

Although Congress generally has been going along with Mr. Truman's request for military funds, it has not approved his plans for increasing the manpower of the armed forces by a temporary draft and universal military training.

Both manpower plans are involved in the House committees' dispute. The armed services committee has approved both a UMT and a draft bill, but both measures have been blocked by the rules committee.

Rep. Leo E. Allen (R-Ill.) chairman of the rules group, set off the new clash in a letter to Rep. Walter A. Andrews (R-NY), armed services chairman.

Allen asked for hearings on his draft substitute—a bill which would offer bonuses to volunteers instead of reviving selective service. President Truman has said Allen's plan is the most asinine proposition he has yet seen.

Andrews could not be reached immediately for comment on Allen's letter.

Mob Wrecks Packing Plant In Operation During Strike

30 Workers Taken Away As Hostages

Locks on Stock Pens Broken

BULLETIN

ST. PAUL, Minn.—(AP)—The Minnesota National Guard was being called out today for duty at strike-bound packing plants in Newport and South St. Paul, scenes of strike violence.

★

NEWPORT, Minn. — (AP) — A mob estimated at 200 men forced its way into the strikebound Cudahy and company packing plant at midnight, heavily damaged the interior, set free several thousand dollars worth of hogs and carried away 30 plant workers as hostages.

R. J. Swenson, general manager of the plant, gave this account of the incident:

"About 11:15 p. m. (CST) an estimated 200 men—some of them Cudahy workers on strike—entered the plant.

"First the main power switch was pulled, plunging the plant into darkness. Then a room where some of our men were sleeping was entered. Cots on which they rested were broken up and some windows smashed.

"Locks on some of the stock pens were broken and 110 hogs, valued at about $6,000 were set free.

"A new car belonging to one of the plant engineers was tipped over and the windows of one side and the windshield were broken.

"The plant boilers were turned off but apparently there was no serious damage done to them.

"Then about 30 of the 50 to 60 men who were on duty in the plant were herded into cars and taken away. (At 6 a. m. (CST) Swenson said all but 11 or 12 of the missing men had been accounted for.)

"These men were apparently taken out 'into the hills.' A number of men were hurt in the plant. Two of them are hospitalized and several have been treated for cuts and bruises.

"The entry into the plant appeared well planned. We found a round, heavy club that one of the men who came into the plant probably used."

Swenson entered the plant early this morning with Sheriff Reuben Granquist. The manager said a survey was being made of the plant to determine the total damage. He added that none of the damage seemed to be of a nature that would seriously impair operations.

Swenson said he would ask Gov. Luther W. Youngdahl to call out the National Guard. "This has exceeded the stage at which we can work through court orders," he added.

Burned In Trailer Fire

James Fisher, 48, of 25 Crystal Springs avenue was burned about the face, arms and feet early this morning when his trailer home was destroyed by fire.

Fisher is in General hospital where attendants said his condition is "good" and that he is resting comfortably.

The fire broke out at approximately 4:30 a. m. and firemen from No. 2 station were summoned.

Fisher had already been removed to the hospital when the fire engine arrived. He told hospital attendants that he was asleep when the blaze started and that he did not have any idea how the fire started

Royal Couple Visiting Paris

PARIS — (U.P.) — Princess Elizabeth and the Duke of Edinburgh arrived in Paris today by train for an unofficial visit.

It was their first trip outside the British Isles since their wedding last November.

City boulevards blossomed with Union Jacks for the visit for which the French national assembly has alloted 3,000,000 francs.

Gromyko Out of U. N.

Sharp-Tongued Russian Recalled

LAKE SUCCESS, N. Y.—(INS)—Russia abruptly ended the United Nations career of Soviet Delegate Andrei Gromyko today by replacing him with Deputy Foreign Minister Jacob Malik.

The long-rumored change, effective in July, was disclosed in a letter sent by Gromyko to United Nationals Secretary-General Trygve Lie.

Although the familiar Russian pattern is followed of leaving the reasons and intentions of the replacement vague, Gromyko himself smiled and said he was first going to take "a holiday" in Russia after leaving Lake Success.

Jacob Malik is an experienced old Soviet diplomat himself. He is also deputy foreign minister and before the war was Soviet ambassador to Japan.

The disclosure of Gromyko's replacement set afoot conflicting versions, ranging from his recall by Moscow due to failure to halt the U. S. drive against communist expansionism to suspicion that Gromyko is slated for "the salt mines."

But in any case, his scheduled departure will remove the most hard-bitten exponent of Soviet policies and ideology from the security council. He has been the central figure of more controversies between the east and west than any other person in the western hemisphere.

Father's Truck Crushes Child, 3

PORTSMOUTH— (INS)—Funeral arrangements were made in Portsmouth today for three-year-old Ronnie King, son of Mr. and Mrs. Harold King of nearby Blue Creek.

The boy died last night of internal hemmorhages caused when a truck driven by his father passed over the boy's body. Ronnie had been riding on the truck and fell beneath the wheels.

Will Set Up 'Model' Government

16 From Area Picked For Ohio Boys' State

A list of 16 high school boys from the Mansfield area selected to represent their schools on the Ohio Boys' State at Ohio Wesleyan university June 12 to 22 was announced today.

The boys will be given an intensive 10-day indoctrination into the functioning of government under sponsorship of the American Legion.

During the 10-day gathering, boys from all parts of Ohio, selected by various Legion posts as representative of their communities, will be organized into a "model" state government.

They will hold elections for the selection of various state, county and city officials who will "rule" the "state" during the 10 days.

The elective officials of "Boys' State" will carry out their duties under the supervision of experts in governmental law.

The list of boys selected from the Mansfield area, as announced today by J. C. Stout, director of distributive education in Senior high school, follows:

Senior high — Louis Frederick Windlinger, Charles Allen Brown, Dick Dale Butts, Joseph E. Haring, Thomas Walk Owen, Thomas Don Swisher, Richard Patterson Rohleder and David Martin Wappner.

Springfield township — James Marshall Zehner.

Union township — Benjamin Robert Baith.

Lexington high—Roland Clyde Bender.

Madison high — Fred Eugene Burig and Eugene Louis Riblet.

St. Peter's high—James Edward Marshall and David Hugh Moore.

Lucas high—John Curtis Stacey.

Among organizations and business firms cooperating in the boys' trip to Ohio Boys' State are the Fraternal Order of Police, Amvets, Parkway Lunch, Marine Corps League, Loyal Order of Moose, American Legion Auxiliary, 40 et 8 club, Sam Fox, R. B. Gardner, Rotary club, Carpenters' Union, V.F.W., Delano Lodge, Junior Chamber of Commerce.

Fair Days In Prospect

A sunny and warm week end was forecast today by the weatherman who said the long rainy spell is about over.

Skies were expected to clear today, and it will be a little cooler tonight, the forecast said.

Saturday will be partly cloudy and warmer. There are no showers in prospect before Monday, the forecast indicated.

Temperatures in Mansfield hovered around 50 degrees yesterday and last night, but were climbing a little today. Rainfall last night totaled .11 of an inch.

The weather bureau's five-day outlook for Ohio follows:

"Temperatures will average two to four degrees above normal during the period. Warmer Saturday and Sunday; cooler Monday and Tuesday; warmer Wednesday. Showers Monday and Tuesday, with total rainfall near one-half inch."

Injunction Blocks OSU Trailer Park

COLUMBUS—(INS)—Ohio State university students faced a barrier today in their fight to establish a permanent trailer park near the university's "GI Village."

Judge Joseph M. Clifford granted a temporary injunction Thursday, preventing the Ohio State Students' Trailer Co-operative, Inc., from setting up its proposed 140-space park.

First National Meeting Held Here

'Friends of Land' Visit Malabar

The first national meeting of corporations supporting the "Friends of the Land" began with a noon luncheon today in the Mansfield-Leland hotel.

The group, composed of 75 per cent townspeople members, is a non-profit corporation devoted to soil and water conservation in America. It is supported by private memberships and support of corporations interested in land conservation.

Noted executives and representatives attending are Edward F. Wilson, president, and G. E. Thorne, vice president of the Wilson company, meat packer; W. T. Holliday, president, and John Wieland, advertising manager, of the Ohio Standard Oil company; Oliver M. Babcock, president of the Ruhn Phosphate company; Mrs. John Stuart, wife of the president of the Quaker Oats company; Frank W. Jenks, vice president of the International Harvester company; T. V. Houser, vice president of the Sears and Roebuck company, and Thornton W. Sterrett, vice president of the Prudential Insurance company.

Officers of the Friends of the Land present are Paul Beston, president; E. J. Condon, Louis Bromfield, and Jonathan Forman, vice presidents.

Morris E. Fonda, assistant to the president of the Friends of the Land in Columbus, arrived yesterday to complete arrangements. A plane carrying 13 business executives from Chicago arrived early today at Municipal airport.

A feature of today's meeting was a tour of Bromfield's Malabar Farm and the surrounding area that includes Clear Fork reservoir.

An evening buffet supper at Malabar Farm concludes Friday's session. Saturday morning the group will again meet at Malabar Farm for a general business session.

John G. Routzon, secretary-manager of the Chamber of Commerce, arranged transportation for the delegates to Malabar Farm in a dozen new Pontiac cars supplied by the Weidner Motor Sales company.

Truman Bids For 4-Point Farm Plan

Airs Views In Special Message

WASHINGTON— (U.P.) —President Truman proposed to Congress today a four-point farm program which he said is "essential" to maintain a productive, prosperous agriculture in this country.

The chief executive, in a message to the House and Senate, urged prompt action on this program:

1. A permanent system of "flexible price supports for agricultural commodities."

2. "Full support to the continuance and expansion of our program of soil conservation."

3. Congress should "continue and strengthen programs to assure adequate consumption of agricultural products."

4. "We need to consider other means for assisting farmers to meet their special problems. For example, we must support and protect farm cooperatives. We must continue to work toward a sound system of crop insurance."

Congress already is at work on farm legislation. The senate agriculture committee has approved a price support bill.

The senate bill in general follows the agriculture department recommendations for permanent price support legislation, but on a lower sliding scale instead of the present inflexible program. It also provides a new bases for figuring the farm parity formula.

In his message, Mr. Truman also repeated recommendations for improvement of educational facilities in rural areas and for the advancement of rural electrification.

He stressed the importance of a permanent system of price supports. Such a program, he said, will assure maintenance of farm income in the face of uncertain market conditions.

South Korea Power Cut

SEOUL—(U.P.)—The Soviet puppet government of Northern Korea cut off all electric power to American-occupied Southern Korea today, causing a new crisis between United States and Russia.

Lt Gen. John Hodge, American occupation commander, immediately put into operation a vast emergency power generating plan. But with maximum effort U. S. army authorities could only hope to produce one-half to three-quarters of the power needed in the American zone.

The U. S. already has one navy power barge at the southeastern port city of Pusan, and Korean utility officials said another American barge at Inchon would add to the Southern Korean power pool in a short time.

Two and one half hours after the "blackout," power from the north still was off but Seoul street cars were being operated with diesel generators shipped in from Japan for just such an emergency.

The cutting off of power, which caused temporary confusion in the American occupation zone, came exactly at noon when Southern Korean representatives failed to arrive in Northern Pyongkang in answer to a communist ultimatum.

Peer, Lady Die In Crash

LONDON—(U.P.)—The Skyways Charter Airplane company announced today that Lady Kathleen Hartington, daughter of former Ambassador Joseph P. Kennedy, and Lord Fitzwilliam, one of the richest peers in Britain, were killed in an airplane crash in France.

Two crew members also were killed in the crash, the company said. Fitzwilliam, 38-year-old Anglo-Irish peer, is survived by his wife and one daughter.

The former Miss Kennedy married the Marquess of Hartington on May 6, 1944. The Marquess was killed in action in France with the Cold-Stream guards on Sept. 10, 1944, at the age of 26.

Taft Group Urges Living Cost Slash

Reasonable Price, Wage Policies Asked

WASHINGTON—(AP)—The congressional economic committee said today business "can and should adopt moderate price and profits policies" and labor "reasonable wage attitudes" to cut living costs.

"If the private decisions as to wages and prices are not made in the public interest, actions of government alone will be largely nullified," the Senate-House group said in its formal report to Congress.

The document covers a coast-to-coast study last fall of "the high prices of consumer goods."

The committee, headed by Senator Taft (R-Ohio), makes 16 recommendations aimed at achieving a stable economy. The report puts emphasis on voluntary measures and in general steers clear of legal control at this time.

A resolution by Senator Baldwin (R-Conn) authorized the committee's study. Baldwin is not a member of the full committee, but did serve by invitation on the eastern subcommittee.

He said in a statement today: "Because I believe that the threat of prices and inflation is still very much with us even though somewhat clouded over by other pressing concerns, I had hoped that these recommendations (of the committee) would be somewhat more comprehensive.

"However, it was clear that this was the widest common ground on which the committee could agree."

The report is mainly a blending of recommendations by the three subcommittees which held hearings in 26 cities

Horn Blower Attacked By Angry Driver

A motorist who received the sympathy of the court was fined $10 and costs in municipal court today after he attacked a horn-blowing driver.

The attack took place about 5:15 p. m., yesterday at Fourth and Walnut streets.

The defendant, Harold E. Gallagher, 82½ West Fourth street, was accused of pulling Edward Raitch, Lexington avenue road, from his car and striking him after Raitch allegedly bumped the rear of the Gallagher car which had stopped at a traffic light.

Gallagher told the court Raitch had been following him in his car down West Fourth street, blowing his horn and bumping into him at intersections.

Judge H. H. Schettler said he sympathized with Gallagher but he could do nothing but fine him for assault and battery. Raitch said he thought Gallagher's car had stalled and he wanted to help start it by pushing it.

Faces Life In Pen

CAMBRIDGE —(INS)— Bernard L. Peterson, 29, dishonorably discharged war veteran faced a life term in the Ohio penitentiary today for the second degree murder of his estranged wife, Margaret, 23, last New Year's eve. An all-male jury found him guilty of the Byesville crime.

Britain's 30-Year Rule Ends

Arabs Poised For Attack

TEL AVIV—(UP)—A new Jewish state was proclaimed in Palestine today as Britain's 30-year rule of the Holy Land ended.

The Jewish dream of nearly 2,000 years—a state of their own—came true at 3 p. m. (9 a. m. EST) as the provisional government broadcast to the world that a new Jewish republic called Israel had been born, and would be defended against all enemies.

Even as the formal proclamation was issued, the Jews were at war. Fighting men of Haganah, the Jewish army, were in bloody combat with Arab warriors from Dan to Beersheba, the Biblical limits of the Holy Land.

And thousands more regular troops of surrounding Arab states—perhaps 20,000 men in all—were poised on the borders of Palestine for attack.

Haganah sent all its 70,000 men and women to battle stations to defend the approximate 5,500 square miles of the new Jewish state—about the area the United Nations partition plan of last November gave the Jews. All men and women 18 to 35 were mobilized. Air raid precautions were ordered in Tel Aviv and other Jewish cities.

MANDATE EXPIRING

The British mandate officially did not expire until midnight tonight (5 p. m. EST), but British High Commissioner Sir Alan Cunningham formally signaled its end nearly 14 hours earlier.

At 10:08 a. m. (3:08 a. m. EST) Cunningham stepped aboard a launch at the Haifa wharf to go to a British cruiser in the harbor.

About six hours later, a stocky 60-year-old Polish Jew, white-haired David Ben Gurion, proclaimed that the Jewish state of Israel was born, and would be defended to the last drop of Jewish blood. Ben Gurion, 40 years a fighter for a Zionist state in Palestine, will be first president of the republic. He also is defense minister.

The Jewish leaders made plain that they were accepting the partition decision of the United Nations general assembly of last November as the legal basis for their state.

The state will be ruled by a provisional government from midnight tonight, the official moment of termination of the British mandate, until a constitution can be drawn up and officers can be elected under its terms, the proclamation said. It said that a constituent assembly would draw up a constitution no later than Oct. 1, 1948.

Vote Favors Mediator

LAKE SUCCESS—(AP)—The political committee of the special Palestine assembly voted today to send a United Nations mediator to the Holy Land. The vote was 37 to 0, with 15 abstentions.

The proposal for a peace commissioner, sponsored by the United States and France, now goes to a plentary meeting of the 58 nations for final action.

A top Jewish representative here said today the newly proclaimed Jewish nation of Israel will make itself secure regardless of what the United Nations does.

The declaration was made in a statement issued by Dr. Abba Hillel Silver of Cleveland, Jewish agency representative, as the U. N. strove on to set up some kind of machinery to restore peace to the Holy Land.

Sen. Overton Dies at 72

WASHINGTON —(AP)— Senator John H. Overton of Louisiana, 72, died early today at Bethesda Naval hospital. He underwent an abdominal operation May 5.

Once a center of political controversy in his state, Overton had been a member of Congress since 1931. He was elected to the House of Representatives that year to finish an unexpired term.

The following year he was elected to the Senate with the support of his close friend, the late Huey P. Long, after a rough political fight against the incumbent, Senator Edwin S. Broussard.

Sidewalk Tame For 'Fly'

SPRINGFIELD, Mo.—(AP)—Deputy Sheriff Troy Garrison stared on amazement at an eight-year-old boy who walked into his second floor courthouse office.

"I just been walking around the courthouse," the lad explained.

Garrison's investigation disclosed the boy's "walkway" was a six-inch ledge around the building just below the second-story windows. The lad spent half an hour in the juvenile jail "just to frighten him a little."

Germans Wear Poured Shoes

BERLIN — (AP) — Shortage of leather for shoes has forced Germans to look for substitutes.

A Berlin firm now is "pouring" approximately ten thousand pairs of shoes monthly, using a substitute substance called igolite, which is made of coal, lime and chemicals. It is waterproof and pliable.

The entire shoe, including the laces, is made of the product.

NOTICE TO CONTRACTORS

Sealed proposals addressed to: Director of Service - Safety, Mansfield, Ohio, and endorsed "Proposal for Gass Road Bridge Over Clear Fork," will be received by the Director of Service-Safety of Mansfield, Richland County, Ohio, until 12:00 noon, E. S. T., May 28, 1948, and then and there publicly opened and read.

Plans and specifications can be seen at the office of the Director or at the office of the Engineers, The Jennings-Lawrence Company, Suite 538 Rowlands Building, Columbus, Ohio, and the same are referred to for details. Prospective bidders may obtain copies of the plans and specifications from the Director or Engineers upon payment to them of $5.00, $5.00 of which will be refunded if the plans are returned, in good condition, on or before the day of the letting.

All bids must be made on forms furnished by the Director or Engineers and all conditions herein contained and all blanks must be properly filled in, except that prices shall not be bid for items not appearing on the Engineers' estimate. No additional prices or qualifying clauses shall be written in.

Prices for labor and material shall be bid separately.

No bid will be allowed to be withdrawn, for any reason, after it has been deposited with the Director.

A bond or a certified check on a solvent bank located in Ohio, for an amount not less than 5% of the total amount of the bid must accompany this proposal, subject to the conditions stated in the proposal as security for the execution of the contract within ten (10) days after the award is made.

A bond for the fulfillment of the contract will be required in the amount of 100% of the contract price and in the form required by law.

Sureties on all bonds must be surety companies satisfactory to the City.

The right to reject any or all bids is reserved. Any award made will be made to the lowest and best bidder. Informalities may be waived at the option of the City.

Each bid must contain the full name and address of each person or company interested in the same. When there is reason to believe that there is collusion or combination among the bidders, the bids of those concerned therein shall be rejected.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

IT WAS STUPID OF ME TO LOSE MY TEMPER, MR. BRONZ, BUT THE GIRL WAS CLUMSY. WE'D STOPPED TO CONGRATULATE HER ON HER PERFORMANCE, WHEN SHE STUMBLED, PUSHING ME INTO THE POOL. IT WAS PURELY ACCIDENTAL, OF COURSE ...
STRANGE! I'D NEVER KNOWN THE GIRL TO BE AWKWARD BEFORE, HMMM... TELL ME, MY DEAR — WHAT HAVE YOU TO SAY FOR YOURSELF?
MADEMOISELLE VAN GOBLIN IS SPEAKING TRULY, MSIEU. IT OCCURRED AS SHE TOLD YOU. I WISH TO APOLOGIZE MOST HUMBLY FOR MY STUPID CLUMSINESS.

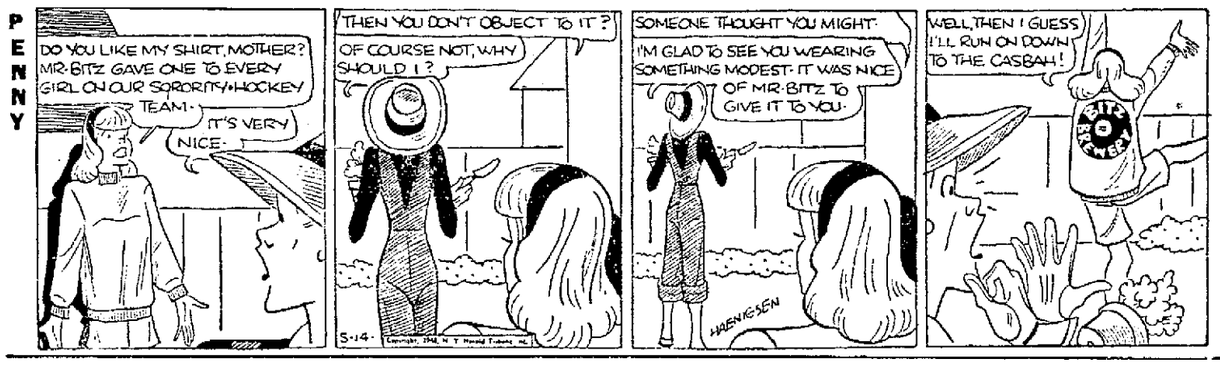
HAVE I DONE A GOOD JOB SELLING YOU THIS WALLET & BOBBLE PROJECT, SKEEZIX?
NO, YOU HAVEN'T, WILMER.
WELL, BEFORE YOU MAKE UP YOUR MIND, I'D LIKE TO HAVE YOU MEET J. SMUGG.
IF YOU SAY SO, WILMER.
HE KNOWS ALL ABOUT FINANCE AND BUSINESS AND CAN REALLY MAKE OUR OPPORTUNITY LOOK BIG.
ALL RIGHT, HE CAN TALK AND I'LL LISTEN.

RIP KIRBY

DON'T KEEP ME ON TENTER-HOOKS, MR. KIRBY. HAVE YOU REACHED A DECISION?
YES... AFTER A FASHION. MR. STARLOCK, I FEEL THE DECISION IS NOT MINE TO MAKE. PLEASE READ THIS CABLE..
FROM SHAWN'S MOTHER! SHE'S COMING TO PARIS?
BY THE FIRST PLANE, AS SHE SAYS THERE. I HAVE TOLD HER NOTHING EXCEPT SHAWN IS HERE. FACE TO FACE YOU AND DOLLY CAN SETTLE HIS FUTURE!
DEREK, MAY I... OH... I DIDN'T KNOW YOU HAD A VISITOR...
JUST AN OLD BUSINESS FRIEND. THIS IS MR. KIRBY. MY DEAR, WHY DON'T YOU GO OUT FOR SOME FRESH AIR, AS THE DOCTOR ORDERED?
MY CAR IS OUTSIDE. MAY I TAKE MRS. STARLOCK FOR A DRIVE? AND PERHAPS LUNCH?

PENNY



DO YOU LIKE MY SHIRT, MOTHER? MR. BITZ GAVE ONE TO EVERY GIRL ON OUR SORORITY-HOCKEY TEAM.
IT'S VERY NICE.
THEN YOU DON'T OBJECT TO IT?
OF COURSE NOT, WHY SHOULD I?
SOMEONE THOUGHT YOU MIGHT.
I'M GLAD TO SEE YOU WEARING SOMETHING MODEST. IT WAS NICE OF MR. BITZ TO GIVE IT TO YOU.
WELL, THEN I GUESS I'LL RUN ON DOWN TO THE CASBAH!

State Acts to Guard Animal Health During Fair Season

Only Healthy Cattle Can Be Exhibited

Regulations Call For Certificates

COLUMBUS—(AP)—The state agriculture department acted today to prevent spread of diseases among livestock during the county fair season in Ohio.

A meeting of livestock inspectors and field veterinarians was called by Allan E. Fogle, state superintendent of livestock markets, for a discussion of animal health regulations.

Copies of these regulations have been sent by the agriculture department to 4-H clubs, Future Farmers of America and other groups planning to exhibit animals at county, state and independent fairs.

The regulations require health certificates for animals to be exhibited at fairs.

State inspectors and field veterinarians were given a briefing here on the regulations. Before the fair season opens in July, they will make personal contact with farm groups, especially young farmers, to make sure the regulations are understood. Officials pointed out that animals without certificates from veterinarians would be rejected or disqualified.

Unusual precautions in health regulations are being taken this year following United States department of agriculture reports there may be outbreaks for diseases among livestock. Diseases like cholera are said to go in cycles.

The county fair season opens in Ohio in July and extends into October. The Ohio State fair will be held here Aug. 28-Sept. 3.

Eighty-eight county and independent fairs, the same number as last year, will be held this year. Some counties will have more than one fair. About five counties will have no county or independent fairs.

County fairs in or bordering the Mansfield area are: Ashland, at Ashland, Sept. 21-25. Crawford, at Bucyrus, Sept. 6-11. Delaware, at Delaware, Sept. 20-24. Holmes, at Millersburg, Sept. 8-11. Huron, at Norwalk, Sept. 14-18. Knox, at Mt. Vernon, July 27-31. Marion, at Marion, Aug. 22-27. Morrow, at Mt. Gilead, Aug. 18-21. Richland, at Mansfield, Aug. 20-21. Wayne, at Wooster, Sept. 14-18.

Independent fairs in the area are Ashley, Aug. 4-7; Attica, Sept. 28-Oct. 1; Bellville, Sept. 15-18; Loudonville, Oct. 5-7.

Gives Talk On Credit Unions

The operations and objectives of credit unions were explained to members of the Mansfield Federation of Teachers last night by W. D. Corcoran of the Mansfield Westinghouse plant. The session was held at the YMCA with about 50 teachers attending.

Corcoran traced the history of credit unions from their founding in German in 1900 to the present. He said they are non-profit units and emphasize saving.

Park Association To Sponsor Dance

The John Todd Park association will sponsor a round and square dance Saturday at 8 p. m., at the park building. Proceeds will be used to improve the park, officials said. The dance is open to the public.

Session Postponed

The district conference of the Mansfield district of the Methodist church, scheduled to be held Monday in Warsaw, O., has been postponed due to the death of Rev. L. Eugene Rush, pastor of the Mt. Gilead Methodist church.

Colby Appointment

Service-Safety Director Earl T. Garrison today officially appointed William Colby as a city detective, effective tomorrow. Colby, who has been on the force since June, 1939, replaces Lee Remy, who has retired.

Deaths In Area

Death Takes Mt. Gilead Pastor, 68

MT. GILEAD—Rev. L. Eugene Rush, 68, pastor of the Methodist church here for 14 years, was stricken with a heart attack yesterday and died at 3 p. m. in his cottage near Strafford.

Rev. Rush was born July 5, 1879 in Hayesville, where he later was pastor. He was pastor of Grace Methodist church in Delaware for 22 years and superintendent of the Methodist Children's home in Worthington for five years before coming here.

In 1910, he organized the first troop of Boy Scouts in Delaware county and from 1927 to 1903 was a representative from Delaware county to the Ohio State legislature.

Rev. Rush leaves his wife, Olive; two daughters, Mrs. John R. Alley of Greenville; and Mrs. W. Robert Boyd of Cleveland Heights; two sons, Ralph E., of Los Angeles; and Robert D. of Columbus; and 10 grandchildren.

The body is in the Ramsey-Monr Funeral home in Delaware where friends may call today. It will be taken to the Boyd mortuary in Mt. Gilead tomorrow morning where friends may call until Monday when the body will be taken to the Methodist church for services at 2 p. m. Dr. John D. Greene of Mansfield will have charge of the funeral services. Burial will be in Hayesville cemetery.

★

KATHRYN FRONTZ

PERRYSVILLE—Mrs. Kathryn Frontz, 81, died early today in her home after a short illness. She was born June 20, 1866 in Akron but had lived here for five years.

She leaves a daughter, Mrs. Evelyn Baker, here; a sister, Mrs. Della Dice of Canton; a stepdaughter, Mrs. Clinton Stoner, near Perrysville; four stepsons, Harvey Frontz of Tiffin, Earl Frontz of Wooster, Edward and Gilbert Frontz, near Perrysville, and several step-grandchildren and step-great grandchildren.

Funeral services will be Sunday at 2 p. m. in the Byerly funeral home in Lucas. Rev. G. M. Schrack, pastor of St. John's Lutheran church, will officiate.

★

WALLACE LOSEY

MT. GILEAD — Wallace L. Losey, 56, died today at 2:30 a. m. in Marion City hospital after several week's illness. He was born May 22, 1892 in Kenton. He was a member of the Methodist church.

A service engineer for the Hydraulic Press Manufacturing company, he went to France and Sweden for company business in 1947.

Brownies Give Tea For Mothers

Members of Brownie Troop 36 of Western Avenue school entertained their mothers yesterday afternoon at a tea. The program included a play, "A Gift for Mother," presented by Carolyn Robinson, Patsy Barnes, Nancy McClary, Nancy Smith, and Janet Tyson.

Each girl gave her mother a gift. Refreshments were served by the girls. Leaders of the troop are Mrs. Robert Small and Mrs. Roy Stump.

Advertising Man's Father Stricken

Adolph Eckert, 86, father of E. A. Eckert, Mansfield advertising executive, died early today at his home in Mt. Clemens, Mich., it was learned here today.

Funeral arrangements are incomplete, but services and burial are expected to be in Michigan.

Tourney Games Again Postponed

The Class A district baseball tournament was postponed for the third straight day today, but Tournament Director Jimmy Lymper announced that three games will be played tomorrow at Liberty park.

Senior high will meet Ashland at 12:30 p. m. and Willard will engage Bucyrus at 2:30. The winner of the Mansfield-Ashland game will play Galion in the day's finale. The tournament will be finished next week.

Pastor's Son Released

MILLERSBURG — Arthur Poll, jr., son of Rev. and Mrs. Arthur Poll, arrived home this week from Camp Stoneman, Cal., where he was discharged from the Army with the rank of sergeant. He had been stationed in Korea.

Livestockers To Celebrate Anniversary

5 Area Farmers On Advisory Committee

The Producers Livestock Cooperative association of Cleveland, with which a number of area farmers are associated, will celebrate its twenty-fifth anniversary tomorrow. The group has handled more than 6,195,000 head of livestock during its existence.

Area members of the present advisory committee for the Cleveland producers are John Fluke, Ashland; Lester Utz, New Washington; H. H. Allison, Big Prairie; Lewis Heyman, New London, and H. H. Wolf, Shelby.

P. L. Yarling, Cleveland manager, said the Cleveland association grew to be the largest agency on the Cleveland market soon after its formation on May 15, 1923.

It joined with units at Pittsburgh and Columbus in 1934 to form the Producers Livestock Cooperative association and now has 20 main branches in Ohio, Pennsylvania and Indiana.

Yarling claimed it is the largest livestock cooperative in the country.

Initiation Set Saturday

A full form ceremonial, followed by an initiation, will be held Saturday night by Baku Grotto at the Grotto hall. The event will attract Grotto members from at least a half dozen cities in northern Ohio.

Two full-form ceremonials are held each year. The other will be in November.

Grottoes in Canton, Akron, Sandusky, Cleveland, Elyria and Marion will be represented at the ceremonial.

Sixty prophets will present the ceremonial, Howard Wenning, Baku Grotto secretary, said. He expects that at least 40 candidates will be initiated.

Get Posts At Westinghouse

J. E. Crum and R. R. Lynch have been appointed to head the two merchandising sections of the small Appliance department at Westinghouse, Ralph Z. Sorenson, manager of the department, announced today.

Crum who started with Westinghouse here in 1922, heads the merchandising department and will be in charge of the electric bed covering department.

Lynch, former supervisor for small appliances, joined Westinghouse in 1930, and will handle all other items in the Small Appliance department.

Five Area Students Take High Honors In State Test

Five area students are among the 224 who took top honors in the Ohio high school final district-state scholarship test. The names were announced today by State Education Director Clyde Hissong.

More than 12,000 students, representing more than 900 high schools, took the exams which were given May 1 on 19 college and university campuses. The tests were given in 21 subjects taught in grades 9 through 12.

Area students on the list include:

Gerald Scoot Lozier of Lakeville, placed seventh in chemistry.

Stephen Jay Hopkins of Jeromesville, placed eleventh in general science.

Rodney Beck Hurl of Shelby, placed sixth in senior social studies.

Marilee Fluke of Ashland, placed eighth in English 12.

Mary Lucille Grassman of Millersburg, placed third in bookkeeping.

Two Cases Before Jury

Jesse Curd, 224 North Diamond street, was held to the county grand jury under $500 bond in municipal court today after he pleaded innocent to a charge of carrying concealed weapons.

Court officials said Curd was arrested yesterday at 222½ North Main street when the proprietor of a tavern called police, saying Curd had a gun under his shirt.

The tavern owner called after Curd was allegedly threatened by a third, unnamed person, and the tavern keeper was afraid that Curd would use the gun.

Bound over to the grand jury under $1,000 bond was James Riggs who, sheriff's deputies said, lives in a trailer camp on the Olivesburg road. Riggs pleaded innocent to a charge of issuing a check with insufficient funds.

He allegedly gave a check to H. L. Myers of the Myers Supply company for $55, funds for which were not on deposit, the affidavit said.

Ralph Griffith, Mansfield, R. D. 5, pleaded guilty to an unsafe operation charge and was fined $10 and costs. His car struck a tree on Western avenue last Sunday.

Statutory rape charges against Albert Elliott, 335 Newman street, were dropped at the request of the prosecutor. Since Elliott was indicted by the grand jury Tuesday, the municipal court preliminary hearing is unnecessary, the prosecutor said.

Present Concert

The John Simpson band and orchestra will present their spring concert at 8:15 p. m. today in the Simpson auditorium. The program will feature classical and lighter music and several novelty selections.

Man Stricken

Andy McGrath, Sixth street, was taken to General hospital at 1:15 p. m. today after he collapsed in Fritz's cafe, 194 North Main street. Cause of his illness was not immediately determined.

DIES IN PLUNGE

COLUMBUS—(AP)—A 61-year-old man identified as Guy H. Bishop plunged to his death today from the roof of the 14-story Huntington national bank building.

Mishap Fatal To Salesman

Ronald O. Stafford, 29, of Cleveland, a permanent tire representative of the Mansfield Tire and Rubber company, was fatally injured last night in a car-truck collision near Morgantown, W. Va.

Stafford was employed by the Howatt Rubber and Supply, Inc., of Cleveland, as a salesman of Mansfield tires.

He died in a hospital in Morgantown after his car crashed into a cattle truck. Stafford at one time was a salesman in this area for the International Business Machine company.

Board Called To Check Vote

A special meeting of the Richland county board of elections has been called for 7 p. m. today by Charles Innes, chairman of the board.

Innes and other board members declined to comment on the purpose of the meeting, but it was learned a check probably will be made of reported discrepancies in vote counts in some Mansfield precincts.

The official count was approved by the board Monday afternoon.

Wage Negotiations Continue Today

Negotiations which began yesterday between local 758 United Electrical Workers, and the Martin Steel company continued today.

The union is requesting a substantial wage increase, paid holidays, a strengthened seniority clause and improved vacations.

Baby Bitten

The baby of Mrs. George Curry of Pavonia was treated at Mansfield General hospital yesterday after being bitten by a dog, sheriff's deputies reported. Deputies ordered the dog owner to keep the animal tied 10 days.

Contract Let To Construct Grandstand

Notes To Be Issued To Cover Deficit

BUCYRUS—Confronted by the need to raise $17,000 to make up the balance required to build a grandstand at the Crawford county fairground, members of the county fair board voted to issue $500 notes in the amount required.

They awarded a contract for construction of the stand to a Galion firm on its bid of $53,000 Thursday.

Available for the structure is $36,000 in the restoration fund and $10,000 from the county general fund.

The structure, which will seat 2,000, will be left roofless for the present as an economy measure. Construction will start next week.

Notes to be sold to make up the deficit will bear four per cent interest and will be retired at the rate of ten per cent annually

Students Plan Tour on Boat

KENT —(INS)— Nostalgic refrains of yesteryear will be heard aboard the showboat next month when it makes another journey down the Ohio river.

Kent State university student actors aboard the ship—the Majestic, captained by T. J. Reynolds—will try to bring back the checkered vest era with the temperance melodrama, "Ten Nights in a Bar Room." The project was conceived by G. Harry Wright, professor of speech at Kent and a long-time student of showboat days.

Wright plans to take the students—14 actors, dancers, musicians and singers from Kent and Hiram colleges—for a three-month tour, starting June 7 at Point Pleasant, W. Va., at the junction of the Kanawha and Ohio rivers.

Next time Boston brown bread is on the menu to be served with baked beans try slicing and toasting it instead of steaming it.

In our issue of May 2, this newspaper inadvertently published in an advertisement the photograph or Rev. L. A. Williams and incorrectly identified the picture as that of "Rev. Daryl Williams", evangelist at the Church of God. Rev. L. A. Williams was at that time serving as evangelist at the Pilgrim Holiness church. The Evangelist at the Church of God was Rev. Daryl Williamson.

Rabbi Finds Techniques Of Hitler, Stalin Similar

The techniques of Hitlerism and Stalinism seem the same, Kiwanis club members were told yesterday by Rabbi Jerome D. Foldman, guest speaker from Columbus.

Rabbi Foldman made this observation during a talk on "The High Cost of Hate" in which he established the thesis that the cost of World War II and the misery brought on Jews in Germany was the "result in large measure of an early hate established in the mind of Adolph Hitler as a result of a Mother-love complex.

"A Jewish lover of Hitler's mother caused Hitler to hate Jews. This complex, "Rabbi Foldman pointed out, "was the perversion of a virtue—that of love. Every vice is the perversion of a virtue.

"Basically there is something good about hate. It is normal to hate evil, corroputions, dishonesty, etc.

"However, we get away from the central target when we begin to hate the evil doer rather than the evil. Some say it is wrong to hate the evil doer but I personally feel that it is natural to hate the evil doer as well as the evil.

"However, it is when the hatred of the evil and the evil doer is extended to those associated with the evil-doer that abnormality sets in and we are on a dangerous track, Rabbi Foldman said. This is the high cost of hate that it cuts us out of opportunities that enrich life.

"Today we live in a world that is stained, tarnished and filled with hate. It is difficult to overcome. But we must overcome it if we are to approach the brotherhood of man which is the end of life," Rabbi Foldman concluded.

Dwight Smith was program chairman of the luncheon meeting at the Mansfield-Leland hotel.

Ashland Lions Elect Nearhood President

ASHLAND — Harley O. Nearhood was elected president of the Ashland Lions club at the Thursday luncheon meeting to succeed Richard W. Bear as head of the civic group.

Victor Bachman was elected first vice president; David Lutz, second vice president; Ivan Eshelman, secretary and treasurer, Ed Leiby, tailtwister, Capt Lloyd Stephan, Lion tamer, Merle C Griner, director.

$25,000 Asked In Suit

BUCYRUS—Damages of $25,000 are sought in a court action filed in common pleas court by Grace Wise against the Galion-Mansfield Transit company. The plaintiff charges that she received severe bruises when the bus was put in motion as she was alighting at Iberia, May 14, 1946, causing her to be thrown to the ground.

Boy Unable To Feel Pain

DAYTON—(AP)—Jimmy Sandy, 9, was recovering at Barney Convalescent hospital here today from an infection that has baffled doctors because the youngster cannot help diagnosis.

Jimmy is one of those rare persons who cannot feel pain.

Being in the hospital is nothing new to the youngster. In his 10 years of life, he has been a hospital patient 13 times. Since he knows no pain, he knows no fear and is forever suffering fractures while attempting super-human feats—never realizing the danger because injuries do not hurt him.

During operations for his various bone fractures, he required no anaesthetic. Attending physicians said he talked and laughed with them while they brought together the jagged ends of bones.

Jimmy, the doctors say, was born without that brain center that receives pain messages. Otherwise, he is a normal youngster. He enjoys movies, toy pistols and arithmetic. He likes to read comics just like any other fourth-grader.

There is a wise saying that the more you know the better luck you'll have.

Psychologists convening in Philadelphia were intrigued by a demonstration that fish can think—which surely wouldn't be odd, considering how closely they stick to schools.

Election, Then Abandonment

THE KOREAN election ordered by the United Nations has been carried out according to schedule in the American zone, but it will have a strange aftermath. It is the announced intention of the United States to withdraw its troops from Korea at the end of this year. The election has been held; the elected representatives will have had an opportunity by that time to set up a Korean government; the task of the American occupation force will be ended.

But there is little doubt in anyone's mind as to what will happen after the American troops leave. North Korea, now occupied by Russia, did not participate in the election, for Russia would have nothing to do with it. Leftists in South Korea stayed away from the polls, do not recognize the election. There is a strong Soviet-trained army of Korean communists in the north, against which the new government of South Korea will be defenseless once the Americans leave.

United States officials know these things, but they say there is no choice. American military strength is spread too thinly, and must be consolidated where possible. The military value of Korea is not worth the investment of troops there. Europe, they say in effect, is more important.

What will be the political effect of this withdrawal in the Orient? All through the war years Orientals and their friends pleaded for more help, and always were told that European needs were more urgent. Where will they turn now when told once again that, in peace as in war, Europe comes first?

Another Jury Condemns County Jail

ANOTHER grand jury has condemned Richland county's antique jail. They found leaky plumbing and dangerous electric wiring. They found that the cells need painting. Other juries have pointed out that the women's quarters are unsatisfactory and that there are no facilities at all for juveniles or mental cases!

Repeatedly this newspaper has pointed out disgraceful conditions at the jail. A number of photographs have been printed showing just how bad the situation is.

In the closing months of 1947, the county commissioners employed an architect to prepare plans for a new jail. No report has been received from the architect, the commissioners say. The board has also discussed the possibilities of remodeling the present jail.

But thus far the discussions and requests for architect's plans seem to have produced the net result of leaky plumbing and bad wiring, rather than concrete progress toward a new building or extensive remodeling of the old one.

In the thus-far-futile discussions some officials pointed out that it would not be desirable to have a detention home for juveniles in connection with a jail. And there is logic in this thought.

There is no logic, however, in the dallying and delay that has followed recommendations of grand juries for nearly 20 years that something be done about the ancient, dilapidated structure Richland countians blushingly call the county jail.

Let Taste-Buds Be Your Guide

THE CONSUMPTION of vitamins in addition to the normal diet has lately become a widespread habit, pursued from a sense of duty. If recent findings are to be believed, our instincts in regard to food are to be trusted, and pleasure may become our pilot.

At the annual meeting of the American Chemical society, L. C. Cartwright and Robert A. Nanz announced that vitamins in foods are responsible for much of the flavor and aroma which make them attractive. It was found that some nuts get their flavor from thiamin, that vitamin E gives flavor to bread, and that thiamin also gives its pleasant aroma to pork. These investigators observed that children who were allowed to choose their diet were guided by instinct to the articles they needed.

This is agreeable news. Duty-harried dieters may now perhaps relax and let their taste-buds and their olfactory organs guide their choice of foods.

A competent physician to whom this statement was referred says it is true as far as it goes. But people's dietary mechanisms are not all alike; some have vitamin deficiencies because for some reason they are not able to assimilate the vitamins in food. They may have the best diets in the world and still need extra vitamins presented in forms they can utilize.

Al Smith's Life Offers Film Idea

HOLLYWOOD is reported to be considering a screen biography of Al Smith. "Wilson" and "The Roosevelt Story" proved that the much-abused movie directors can produce serious, interesting biographies without taking too many liberties with their subjects.

Al Smith's appeal will naturally be less. He never got to be president, so to many parts of the United States he is nothing more than a New Yorker who ran for the White House and was beaten. Also, Al Smith soured on his party in the Roosevelt heyday, and remained a man without a party for the rest of his days. But as an able, high-minded official, the first presidential candidate who was born of the city proletariate, he will not soon be forgotten.

A film biography might help keep his memory green, and much may be learned from his experience.

That scrambling you notice is the last of the organization Democrats crawling on the Lausche bandwagon.

What Some Other People Are Saying

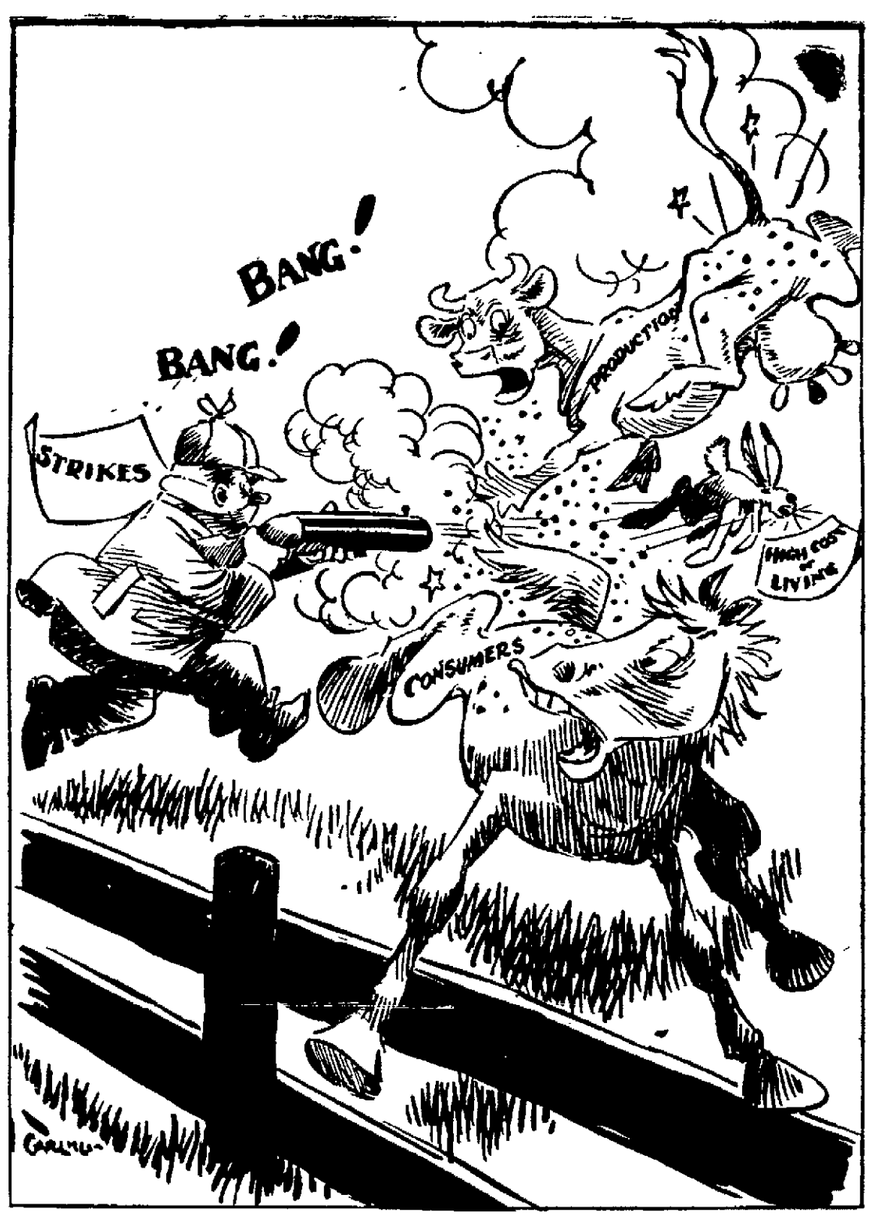
REP. HALLECK (R-Ind): "The Hoffman bill is a direct result of the growing resistance by government agencies toward furnishing information. Too many times I have had to find out what my government is doing from the Moscow radio."

* * *

HENRY G. WEAVER, General Motors research director: "Some material waste must be expected as the price of progress. . . . Freedom of choice results in a lot of waste. That's one of the favorite themes of the socialist and communist kibitzers."

* * *

British Foreign Secretary **ERNEST BEVIN:** "Only the communists bar world peace, and I oppose another major east-west conference at present."



Just Who Gets Hit?

DeWitt Mackenzie's Column

Molotov Almost Pulls a Fast One

ARGUMENT and speculation over the conversation between Soviet Foreign Minister Molotov and American Ambassador Walter Bedell Smith continue to snowball without much indication of where the end may be.

What is said to have started out as an informal and private chat between the two diplomats has both hemispheres by the ears—a development which many observers attribute to smart manipulation by Molotov.

It now appears that he acted without consulting Washington in giving to the press a statement which conveyed the idea that the United States had invited Russia to a conference to discuss relations between the two countries—an invitation which the Soviet union regarded with favor.

Naturally the announcement created a world-wide sensation, especially since it placed the United States in the doubtful position of initiating what might be seized on by critics as appeasement. Indeed one communist newspaper in Germany did declare that this showed America was fed up with the cold-war. Moreover, Britain and France gave indications of being considerably miffed at not having been informed by the United States about this important move.

Washington promptly denied that any invitation had been extended, although it reiterated that the door always was open for conversations if Moscow wanted them. Even President Truman took a hand in clarifying the situation, declaring that there had been no change whatever in American policy.

* * *

Marshall Speaks Up.

Then yesterday Secretary of State Marshall amplified and emphasized America's position. He stated emphatically "this government had no intention of entering into bi-lateral negotiations with the Soviet government on matters relating to the interests of other governments." He said such discussions "must, as a matter of course, be conducted in the body charged with responsibility for these questions," an obvious reference to the United Nations.

Gradually these statements seem to have had their effect in getting the facts before a much excited Europe. The idea grows among observers that Mr. Molotov slipped across a very hot one, which might easily have put the United States in the position of appearing as an appeaser, but which has been largely countered by quick action.

One of the most extraordinary aspects of the situation is that British Foreign Secretary Bevin came to the aid of the United States with a red hot speech in parliament. Bevin reportedly was annoyed at the outset because he hadn't been informed in advance about the Molotov-Smith exchange. However, when he learned the facts he swung into action. Without mincing words he gave Moscow a dressing-down for publicizing the Russian and American statements.

Looking Back

Twenty Years Ago Today

Monday, May 14, 1928.

Eleanor Wilcox, Eleanor Hancock, James P. Keith and Ida Balliet were named as delegates to the mock GOP convention at Oberlin college, where they were students.

John Pierce, president of Mansfield Chamber of Commerce, announced plans for the city's part in observance of "Know Ohio" week, May 20.

Lloyd Hildebrand was appointed night patrolman by Chief of Police, H. E. McClure.

Harold Mansfield was selected as one of cast of Shakespearian production at Ohio Wesleyan university.

Mrs. Mary G. Moorhead died at the age of 98 at her home, 22 North Weldon avenue.

Yuncker's sports goods store had a horned toad in window, sent by Carl Simon, former Mansfield resident, who then lived in Amarillo, Tex.

TODAY IN HISTORY

The long-hidden seaport of King Solomon, on the eastern arm of the Red sea, was found—on May 14, 1938—buried in sand near Aquaba, about half a mile from the present shore line. The ancient port was devoted to ship-building and copper-smelting.

How It Started

—By JEAN NEWTON

Calling It "Cold Slaw."

The name "cold slaw," as we call cabbage shredded to make a salad is a corruption of the Dutch "koolslaa." However the first word has no connection with the fact that the shredded cabbage is served cold or cool. The history of the expression is as follows:

The correct wording, as it derives from the Dutch name we have quoted, is not cold slaw, but cole slaw. The former is the vernacular result, or corruption of the latter.

Now, "cole" is the old English word for cabbage and the related vegetable kale, as well as others of the Brassica genus, as botanists call the cabbage family. This includes kohlrabi, and the caul in cauliflower!

Washington Calling

Truman Given 'New Look'

By MARQUIS CHILDS

WASHINGTON — These are anxious days at Democratic national headquarters as plans go forward for the grand tour that begins next month. Putting a presidential show on the road is a big job under the best of circumstances, and with what is happening — south, north, east, west—present circumstances can hardly be called best.

The Truman managers privately put a great deal of emphasis on the tour. They want their candidate to show the country that he has a new look and a new outlook.

At a dozen stops a day on the tour to the Pacific northwest and California, President Truman will talk to the crowds that come out to see him. And he will speak extemporaneously, in the homely, friendly fashion intended to show the man himself rather than the fretful President overburdened with affairs of state.

This, as the anxious managers envision it, is to be the keynote of the pre-convention swing. The President, in their theory, has long been hiding his homely, friendly light under a bushel of stuffy set speeches.

The new look first emerged when the President addressed the American Society of Newspaper Editors. After his set speech, he spoke off the record in homely vein.

The contrast was striking. The President has never learned to be at ease with a manuscript before him. His reading is customarily so flat and spiritless that his words seem to carry little conviction. But speaking simply and directly, he was himself—a sincere, hard-working man trying earnestly to cope with the overwhelming problems of our day. Mr. Truman received many compliments on his extemporaneous performance for the editors.

The President's advisers persuaded him to talk in the same informal way to the recent conference of health authorities. Since this was a more difficult test, it was decided not to seek network time for the speech. Afterwards the President's intimates, delighted with his talk, were regretful that he had not had a radio audience. They took this as final proof that a new approach was not only possible but highly desirable.

At the core of the new concept there is truth. Mr. Truman is a sincere American trying to meet problems that have never confronted this nation before. It is when he is measured against the imperative necessity of the hour that he is so often tagged inadequate.

* * *

It's Not Easy.

But whether the President of the United States can become the homely philosopher and speak freely and off the cuff in a time such as the present is a large question. Because he is chief of state of the most powerful nation on earth, every word he speaks echoes around the world.

In this fact lies the very real hazard in the new approach that the White House advisers hope to develop on the coming tour. The hazard is political at home and diplomatic abroad.

It takes art as well as nature to be folksy and friendly and yet avoid one of those gaffs that now and then betray even the most experienced extemporaneous speaker. Art, which comes through long experience, may be even more important than nature.

Not long after he entered the White House, Mr. Truman made a friendly, folksy visit to his home state of Missouri. On the way back, he stopped at Reelfoot Lake in Tennessee to dedicate a TVA dam. It was there that he held an impromptu press conference and tossed out the statement that we intended to keep the atomic bomb no matter what the rest of the world said. This off-hand statement caused the most profound repercussions in every foreign capital.

National Guard Could Cut Draft

By DREW PEARSON

WASHINGTON—Now that the 70-group air force has been definitely decided on, let's take a careful look at the next big military question—the draft.

Two things are important:

1. When it comes to raising an army of foot-soldiers, the USA can never compete with Russia. Her population is too great. Furthermore, no land army has ever been able to penetrate Russia. Napoleon tried it and met his downfall. Hitler tried it and discovered it was his greatest mistake.

Therefore, the USA has got to develop weapons (airplanes and atomic bombs) that can take the place of a big land army.

2. When it comes to a moderate-sized American land army, we need troops for two chief purposes: (A) Forces to maintain bases abroad; (B) A police force to guard the USA in case of atomic attack at home.

Regarding the last of these categories, the United States has a tremendous reservoir of trained manpower — the veterans. While they should not be called upon for overseas duty, they would be the first to help maintain domestic order and prevent invasion in case American cities were devastated by atomic bombs. Local defense, therefore, should not require the drafting of men.

* * *

Citizens Army.

REGARDING the other phase—that part of the Army which would operate abroad—it seems to me that defense planners have overlooked one of the most important of our war potentialities—the National Guard and the reserves.

The other day, Senator Kilgore of West Virginia, Democrat, telephoned Maj. Gen. Kenneth F. Cramer, chief of the National Guard Bureau, to ask him to appear as a witness in favor of a strong National Guard program.

"I can't come to talk with you," Gen. Cramer excused himself. "I'm not supposed to make my views known."

Yet, in every war so far, the National Guard and the reserves have made notable records. In fact, it has been the resourcefulness and initiative of the individual American soldier which have made the American army victorious in every war so far. No conscript army has ever been able to equal it.

Despite their record, the National Guard and the reserves today are the stepchildren of the National Defense department. They are woefully neglected. If, on the other hand, they were built up, they might be the answer to the draft.

Timely Editorial

More "Take-Home" Pay.

The next pay checks of 50,000,000 American wage and salary earners will be larger because the income withholding tax reduction will be smaller. Several millions of workers in some of the lower wage brackets who have had federal taxes withheld from their pay envelopes for the past several years will no longer be subject to a withholding tax.

The increased take-home pay of these tens of millions of working people will be due to the fact that a Republican Congress several weeks ago passed an income tax reduction bill over the veto of President Truman, who, three times within the span of nine months, vetoed a bill to reduce the tax.

In Ohio alone, an estimated 2,000,000 wage and salary earners will at long last have received relief from an intolerable tax burden — a burden which became necessary in time of war but which the Democratic administration wanted to retain indefinitely as insurance on the maintenance of its prawling bureaucracy.—Ohio State Journal.

Look Again, Professor

An amateur psychologist declares with finality that "it is utterly impossible for any human mind, no matter how brilliant, to think of more than one thing at a given time." Dave Boone Says:

If these railroad-strike proceedings ("operation harassment") go on much longer it might be a good idea to put those "handle with care" signs on the general public.

Assignment: America

That Segregation Idea

By KENNETH L. DIXON

WASHINGTON — Well, if this sort of thing keeps up, it looks like we might have a brand-new type of Army, Navy and Air Corps.

That is, of course, if we have any at all . . .

A group of southern senators have popped up with a promise to wage an all-out battle on the floor of the nation's highest legislative body. And what is it that they're going to fight for?

It's a segregation-by-request provision in the draft bill.

The aforementioned amendment was proposed by Senator Richard B. Russell, a Georgia Democrat, who said he thought it up because President Truman "has indicated to abolish segregation in the armed forces."

When it came up before the armed services committee, the proposed amendment was defeated, 7 to 4. Voting for it, in addition to Russell, were Senators Burnet Maybank of South Carolina, Lister Hill of Alabama and Harry Byrd of Virginia, all Democrats.

All four have indicated their intention to fight on the Senate floor until "the segregation issue is cleared." Nobody has outlined exactly how it should be cleared, but Senator Maybank said that he would "make speeches and offer amendments" until it was, anyway.

Tentatively, the bill is slated for floor discussion sometime next week.

According to Russell's proposed amendment, every draftee would have the right to insist that he serve only with members of his own race.

The amendment doesn't specify exactly whether such service by request with one's own race would be confined to platoons, companies, battalions, regiments, divisions, corps, armies, squadrons or groups.

Nevertheless, it poses some interesting points of memory about the recent unpleasantness.

Presumably, the boys who served in an armored division under the late Major General Rose—the man whom they came to love and who literally gave his life in battle for them—would have declined to serve under his command. Presumably, that is.

Presumably, the men of the 34th infantry division would have refused the help of the 100th Neisi battalion—the American boys of Japanese ancestry who became, people the militaristic system they just fought a war to avoid.

* * *

Behind the RR Injunction.

STORY behind the government's last-minute injunction against the threatened railroad strike is the fact that the three brotherhood leaders themselves actually urged this move in a very frank conference with Presidential Assistant John R. Steelman just after the President seized the railroads.

Two of the leaders, Robertson of the firemen and enginemen and Johnston of the engineers, even told Steelman they would not put up to their strike committees the question of going back to work.

"You know what we're up against," declared Johnston. "We have our own problems. We are under pressure from all sides. If we asked the men to remain on the job with a lot of these questions still in deadlock, some members might think we haven't done our best for them, which isn't the case, as you know."

Therefore, explained the leaders, only the issuance of a court order by the Federal government would satisfy the more aggressive elements in the rail brotherhoods.

and justifiably, the most decorated battalion in the army, by the individuals. And again I say, presumably.

By the same token, if one takes the Russell amendment seriously, the men in the 4th infantry division would have refused to serve with the American Indians in the outfit—even including that phlegmatic citizen who earned the Congressional Medal of Honor and about every other decoration the American government could grant. Reckon so?

* * *

Shocking Suggestion.

Perhaps the Texans in the 36th infantry division would have decided that, under the circumstances, they would not permit the Japanese-Americans in the 442nd regiment to serve with them in southern France. Perhaps . . . but it's doubtful if the boys of that "lost battalion" in the Vosges hills would subscribe to such a belief—after the 442nd came in and brought them out, despite terrible casualties. Yes, it's doubtful.

And on that Velletri infiltration deal, south of Rome, when we spent 48 hours behind enemy lines, there was that Negro boy who seemed sort of lost—racially speaking—in the second battalion of the 142nd infantry regiment. But, had he been segregated, I know four GI's and one officer who wouldn't have made it back.

So it goes. And that's only racially speaking. Once such a custom were started, we might find it a bit confusing, so perhaps it would be just as well to extend it to nationalities and religions. You know, put all the people of Italian, German, French, English, Irish, Greek, Philippine, Chinese, Mexican, Swedish and Polish extraction in individual outfits. Ditto the Protestants, Catholics, Jews, Quakers, Christian Scientists, Moslems and Buddhists. Perhaps we should even divide up the denominations into Baptists, Methodists, etc.

Make a fine "American" Army or Navy or Air Corps, wouldn't it?

Out on Capitol Hill, the men who usually know say that such a segregation amendment has little chance of ever passing. Even so, it remains something of a shock to realize that it was even suggested by four members of the highest legislative body in the land.

Farmer's Diary

Nature Guards Her Young

By CALVIN A. BYERS

A growing woodland is urgent to tell all the diverse ways of buds at this season of the year. Nature protects all young and tender and new-born things. They arrive ensheathed, wrapped up, cached in layers of tissue that only the sunshine and rain and warmth of springtime can cause to open.

Notice the bold dark brown shagbark bud; a velvet silken covering with bracts folding in orderly manner backward. Look at the bud of the grape in the vineyard, pink and tempting as the fruit itself, swelling every day larger until it unfolds its embryonic leaf. Get down on your knees, as I did, and see how the lawn grass sprouts—every blade protected by a crown that unwinds and unfolds. I gathered a handful of cocoons from a wild cotton stalk. Each light green bejeweled casket hung by a strong weathered silken thread. When the sun shone warmly upon it, I heard grating movements within. Soon a lovely Monarch butterfly will emerge and flutter on painted wings across the valley.

The wild grapes on the hill are gaudy with knots of pink and scarlet. I broke away a silvery petal and looked into the bud to catch the familiar fragrance that perfumes the whole woods just a little later when bloom is on. And there, in miniature, I saw a replica of the grapes that are to be—next fall, after a whole summer's growth has made them possible.

The newborn calf or colt or lamb reveals to the experienced stockman just whot its antecedents were, and how it will appear when full-grown.

"The child is father to the man . . ."

It is natural for healthy stalks to bear the best buds, and produce the most perfect fruits. It is natural for plants and animals—and folks—to be healthy. Every young thing has a protective endowment of native power. It would seem to be the part of the farmer and the husbandman to nurture this power into its fullest and most beautiful form of growth.

MISS BETTY ANN WALKER TELLS WEDDING PLANS

Earl Hershey and Bride-Elect to Be Wed Saturday, July 31; Name Attendants for Rite.

THE ENGAGEMENT and approaching marriage of Miss Betty Ann Walker to Earl Hershey was announced Thursday night at a party given by two sisters of the bride-elect, Mrs. George Lorentz and Miss Madeline Dohlen. The party was given in the Lorentz home, 220 Penn avenue.

The announcement was made when match boxes were distributed among the guests. The boxes contained slips of paper reading, "It's a match! Betty Ann and Earl, July 31, 1948."

Games were a part of the evening's diversion and prizes were won by Mrs. J. Gentille, Mrs. Gene Davidson, Mrs. Tim Bair, Miss Fannie Sickles and Miss Eilleen Bender

Later the group made a bride's book which was presented to the honoree. The guests also hemmed tea towels for Miss Walker.

When refreshments were served the table appointments included crystal candelabra holding white tapers and a centerpiece of mixed spring flowers. Miss Sickles, who will serve Miss Walker as maid of honor at the wedding, presided at the serving table.

The best man will be Eugene Davidson.

Curb Colds Easy Way

One out of every five persons in the United States—a total of 28,000,000—may suffer from colds and similar ailments during the season, health authorities estimate. The year-round average, barring epidemics, is only one person out of 20

Many colds could be avoided, physicians say, if common-sense health rules were observed Lowered body resistance, an invitation to colds, results from loss of sleep, extreme fatigue overheating and chilling

REST IS NEEDED

If you have overindulged, make up for it with plenty of rest Include ample portions of green vegetables and fruit juices, bottled or fresh, in your daily diet

Cleanliness is particularly important Wash your hands frequently Regular applications from your bottle of hand lotion will prevent skin roughness and chapping Glassed bleaching compound makes an excellent sterilizer for dishes and clothing

A medicine cabinet stocked with basic remedies is important to family health Don't use any but time-tested remedies without your doctor's advice Bear in mind the often-repeated warning against laxatives when suffering unexplained abdominal pains

A fever thermometer, a bottle of nose drops to relieve discomfort of stuffy noses and an alkalizing agent should be included for treatment of colds A bottle of aspirin is an old standby to relieve headaches and to reduce fever

Dissolved in water and used as a gargle aspirin helps to relieve a sort throat Mineral oil or milk of magnesia is helpful as a mild laxative for children and adults alike

When anyone in the family has a cold, call a physician if fever or a heavy cough persists A sore throat is often a dangerous symptom, so consult a doctor if there is throat inflammation It is well to follow his advice when purchasing nose drops

If colds are frequent, have a physical examination Frequent and persistent colds indicate a generally low resistance to disease A check-up in time may prevent a long siege of illness

HOROSCOPE

For Saturday, May 15.
By GENEVIEVE KEMBLE

ALTHOUGH there are signs of static, congestetd or stubborn obstacles and limitations, yet it will be amply worthwhile to gather all the forces, faculties, energies and initiative on a determined and astute effort to break down all delays, obstructions and frustrations It will be found that consolidated mental and emotional urges can be successfully brought to bear, in exceptionally shrewd, sagacious and farreaching endeavor Unexpected support may be attracted, while public, personal and even romantic satisfactions should prove enduring and happy

For the Birthday.

Those whose birthday it is are encouraged to concentrate their forces, faculties, energies and opportunities on a concrete determination to break up all obstacles congestions, frustrations and opposition, from whatever source This show of astute and diligent attack on obstructions or setbacks could enlist aid from a surprising source, resulting in public, private and perhaps romantic gratifications of lasting and far-reaching denouement Method, organization and acumen are sure to vanquish adverse situations and bring unforeseen and lasting joys

A child born on this day is well-equipped for the buffets and impediments of life, being clever, patient, with keen insight and far vision, sustained by sound character.

Conservation Club Names New Officers

Mrs. Wilbur Campbell, 658 Harter avenue and Mrs. James Martin entertained members of the Child Conservation club at the Campbell home Thursday night.

Roll call was answered by the members with their pet peeves. A business meetmg followed during which a picnic was planned for June 10 at the cabin of Mrs. Prudence Alexander. The group will meet at 6 p. m. at the home of Mrs. Clifford Cochran, Cline avenue, to go to the cabin. Transportation will be provided for those without cars.

Officers elected for the coming year include Mrs. James Martin, president; Mrs. Gaylord Farber, vice president; Mrs. John Town, secretary and Mrs. George Culler, treasurer.

A buffet lunch was served at the close of the evening. The table was centered with an arrangement of yellow and white spring flowers flanked by yellow tapers.

The picnic will be the final meeting of the year and the new officers will be installed at that time. The committee for the event includes Mrs. Ray Paulsen, chairman, Mrs. J E Dunham and Mrs. Wendell M. Bell.

Friends Fete Miss Drushel

Miss Mary Drushel, Saturday bride-elect of Miller Bishop, was honored this week when 14 of her friends showered her with miscellaneous gifts at the home of Miss Virginia Warne, 315 East Third street. Miss Drushel's mother, Mrs. Wayne Drushel, acted as cohostess.

Games played during the evening were won by Mrs. Drushel and Miss Carol Knapp and were presented to the honoree. The group also made a bride's book which was presented to Miss Drushel

Refreshments were served late in the evening.

Miss Drushel and Mr. Bishop will be married at 7 o'clock Saturday night in the Drushel home, 199 Benton street.

St. John's Evening Guild Will Fete Church Women Tonight

MEMBERS of the Women's Evening Guild of St. John's Evangelical and Reformed church will entertain all women of the church tonight in the church auditorium. An interesting program has been prepared. Guest speaker will be Mrs. D. A. Bode of New Knoxville, O., president of the northwest Ohio Synodical Women's Guild of the Evangelical and Reformed church.

The musical part of the program will be presented by a violin ensemble, under the direction of Mrs. E. D. Gibson. Their selections will be "Minuetto-Military Symphony" by Haydn; "Waters Parted from the Sea" by Arne; "Perpetuum Mobile" by Reynard; excerpts from the "Unfinished Symphony" by Schubert, and "Mother Machree" by Alcott-Ball.

This group is composed of Mrs. Elden Cunning, Mrs. Gibson, Mrs. George Keil, Mrs. E. B. Lape, Mrs. Harry McCullough, Mrs. Joseph O'Hail, Mrs. Fred Walter and Miss Martha Jane Ewing. Mrs. Claude Ewing is the accompanist.

Following the program tea will be served in the church parlors by members of the guild.

Garver-M'Lean Nuptials Made Known Here

Announcement is being made of the marriage of Miss Ellen Madge Garver, 55 Dawson avenue, and Robert MacLean of Dayton. Nuptial vows were exchanged April 17 at 2:30 o'clock at the parsonage of the South Main Evangelical church with Rev. Willard Shawk officiating.

The bride is the daughter of Mrs. Lloyd Wharton of Mt. Vernon and the late Herbert W. Kline. Mr. MacLean's parents are Mr. and Mrs. Dwight MacLean of Wellsville.

Miss Garver chose for her wedding an aqua suit with purple accessories and her flowers were tearoses. Mrs. Donald Kirkpatrich was the bride's only attendant and best man was Ralph Devers, close friend of the bridegroom.

Following the service the couple left for their new home in Dayton. Mrs. MacLean was graduated from Mansfield Senior high school and was credit manager at Montgomery Ward company here. Mr. MacLean is assistant manager of the W. T Grant company in Dayton.

Fete Mothers

Members of Beta chapter of Sigma Kappa Gamma sorority entertained their mothers with a dinner at the Sky club Tuesday at 6:30 p. m. Twelve persons were present. Each mother received a corsage from her daughter. After dinner the group attended a movie. The sorority will have a business meeting May 20 at 8 p. m. in the home of Miss Elaine Miller, Massa avenue.

Curb Colds Easy Way

One out of every five persons in the United States—a total of 28,000,000—may suffer from colds and similar ailments during the season, health authorities estimate. The year-round average, barring epidemics, is only one person out of 20.

Many colds could be avoided, physicians say, if common-sense health rules were observed. Lowered body resistance, an invitation to colds, results from loss of sleep, extreme fatigue, overheating and chilling.

REST IS NEEDED

If you have overindulged, make up for it with plenty of rest. Include ample portions of green vegetables and fruit juices, bottled or fresh, in your daily diet.

Cleanliness is particularly important. Wash your hands frequently. Regular applications from your bottle of hand lotion will prevent skin roughness and chapping. Glassed bleaching compound makes an excellent sterilizer for dishes and clothing.

A medicine cabinet stocked with basic remedies is important to family health. Don't use any but time-tested remedies without your doctor's advice. Bear in mind the often-repeated warning against laxatives when suffering unexplained abdominal pains.

A fever thermometer, a bottle of nose drops to relieve discomfort of stuffy noses and an alkalizing agent should be included for treatment of colds. A bottle of aspirin is an old standby to relieve headaches and to reduce fever.

Dissolved in water and used as a gargle, aspirin helps to relieve a sort throat. Mineral oil or milk of magnesia is helpful as a mild laxative for children and adults alike.

When anyone in the family has a cold, call a physician if fever or a heavy cough persists. A sore throat is often a dangerous symptom, so consult a doctor if there is throat inflammation. It is well to follow his advice when purchasing nose drops.

If colds are frequent, have a physical examination. Frequent and persistent colds indicate a generally low resistance to disease. A check-up in time may prevent a long siege of illness.

HOROSCOPE

For Saturday, May 15.
By GENEVIEVE KEMBLE

ALTHOUGH there are signs of static, congestetd or stubborn obstacles and limitations, yet it will be amply worthwhile to gather all the forces, faculties, energies and initiative on a determined and astute effort to break down all delays, obstructions and frustrations. It will be found that consolidated mental and emotional urges can be successfully brought to bear, in exceptionally shrewd, sagacious and farreaching endeavor. Unexpected support may be attracted, while public, personal and even romantic satisfactions should prove enduring and happy.

For the Birthday.

Those whose birthday it is, are encouraged to concentrate their forces, faculties, energies and opportunities on a concrete determination to break up all obstacles, congestions, frustrations and opposition, from whatever source. This show of astute and diligent attack on obstructions or setbacks could enlist aid from a surprising source, resulting in public, private and perhaps romantic gratifications of lasting and far-reaching denouement. Method, organization and acumen are sure to vanquish adverse situations and bring unforeseen and lasting joys.

A child born on this day is well-equipped for the buffets and impediments of life, being clever, patient, with keen insight and far vision, sustained by sound character.

To prepare baked or shirred eggs break each egg into an individual custard cup that has been greased. Pour a few teaspoons of cream over each egg and sprinkle with salt and pepper. Bake in a moderate oven for about 15 minutes or until the eggs are set.

Chapter Holds Final Meeting

Rho chapter, Chi Sigma sorority, held its final business meeting of the season Tuesday in the club rooms at the YMCA. Mrs. Wilbur Upson presided. Plans were discussed for the national convention to be held in Philadelphia July 22 through 25. Delegate and alternate to the convention will be Mrs. Upson and Mrs. John Carothers.

The organization voted to contribute to the American Cancer Society and to send a youngster to the Friendly House summer camp.

The next meeting will be a social one at Johns park May 25 at 7:30 p. m. The committee for the affair includes Miss Donna Enlow, chairman, Miss Ethel Heuss, Mrs. Raymond Schmunk and Mrs. Dean Fighter.

Schedule of Coming Events

SATURDAY

Speppo club—Initiation of new members and covered-dish dinner at Liberty park pavilion.

Saturday Pinochle club — Mr. and Mrs. Glenn Collins, Mifflin, hosts.

Wedding of Miss Mary Druschel, North Benton street, and Miller Bishop, Hoffman avenue—Double ring service at the bride's home.

Zanesville Lady Lost 35 Lbs. Thanks to Rennel

Mrs. Clara Clice, 513 Moxahala Ave., Zanesville, Ohio writes us, "I feel 100% better since taking Rennel and I have lost 35 pounds. Before I felt tired and lazy but now I have more pep than I have had in years."

Hundreds of others have obtained similar relief from the social and physical discomfort of being overweight. Rennel is the original grapefruit juice recipe for taking off ugly fat. It's simple. Just go to your druggist and ask for 4 ounces of liquid Rennel. Pour the contents into a pint bottle—add enough grapefruit juice to fill the bottle. Then take just two tablespoonfuls a day. That's all there is to it. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves—if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle to the manufacturer for your money back. You need never know a hungry moment while taking Rennel—no starvation diet—no printed diet list to buy—no vitamins to fortify you against weakness while going hungry, for you WON'T be hungry. Don't be switched to another product. Insist on and obtain genuine Rennel.

Walter Lippman Speaks

U. S. Sees Need For Formal Diplomacy

It is disingenuous to explain away the oral statement made by Ambassador Smith as being nothing more than "a reiteration of the American position as it has been repeatedly expressed both publicly and privately."

For in addition to reiterating the American position, the ambassador, acting on instructions from the state deparetment which had been approved by the president and the cabinet, told Mr. Molotov that "as far as the United States is concerned the door is always wide open for full discussion and the composing of our differences," and went on to tell him that members of the Soviet government "have it in their power to alleviate many of the situations which today weigh so heavily on all international life.

"It is our earnest hope that they will take advantage of these possibilities. If they do, they will not find us lacking in readiness and eagerness to make our own contribuation to a stabilization of world conditions entirely compatible with the security of the Soviet peoples."

If this was not a "proposal," it was manifestly an invitation. Moreover, the manifest intention was that for the time being the discussion should be carried forward confidentially through diplomatic channels—not with a view to making a secret deal but with a view to preparing the ground for negotiation.

If this was not the intention, why was Ambassador Smith astonished at the publication of the two statements? Why, if all that was intended was to "reiterate" our position, are we embarrassed at the publication of the statements in Moscow? Why, indeed, did we not arrange for simultaneous publication in Washington?

The answer can be only that we were trying to do what Mr. Churchill advised the western democracies to do last February: "To bring matters to a head with the Soviet government, and by formal diplomatic procedures with all their privacy and gravity, to arrive at a lasting settlement."

PROCEDURE UNUSED

But it is a long time since we have employed "formal diplomatic procedures" and this first attempt was, unfortunately, inexpertly carried out.

MOLOTOV NOT TOLD ALL

Mr. Molotov does not seem to have been told precisely and explicity that we were not proposing another public conference but a confidential exchange of diplomatic notes. He needed to be told that.

He needed to have it spelled out unmistakably to him that this was not a continuation of the diplomatic procedure of the last three years but a resort to those formal diplomatic procedures which have so long been out of fashion.

In his excellent book "Peacemaking 1919," Mr. Harold Nicolson wrote: "I have attended many conferences and from each of them I have derived a definite residue of certainty, and it is this: "The essential to good diplomacy is precision; the main enemy of good diplomacy is imprecision."

The advantage of resorting to formal diplomacy with the Soviet Union, and suspending the attempt to deal with it by public conferences, is that carefully drafted documents, coolly considered in private, are a far better way than public statements defining concretely and exactly in the real points at issue.

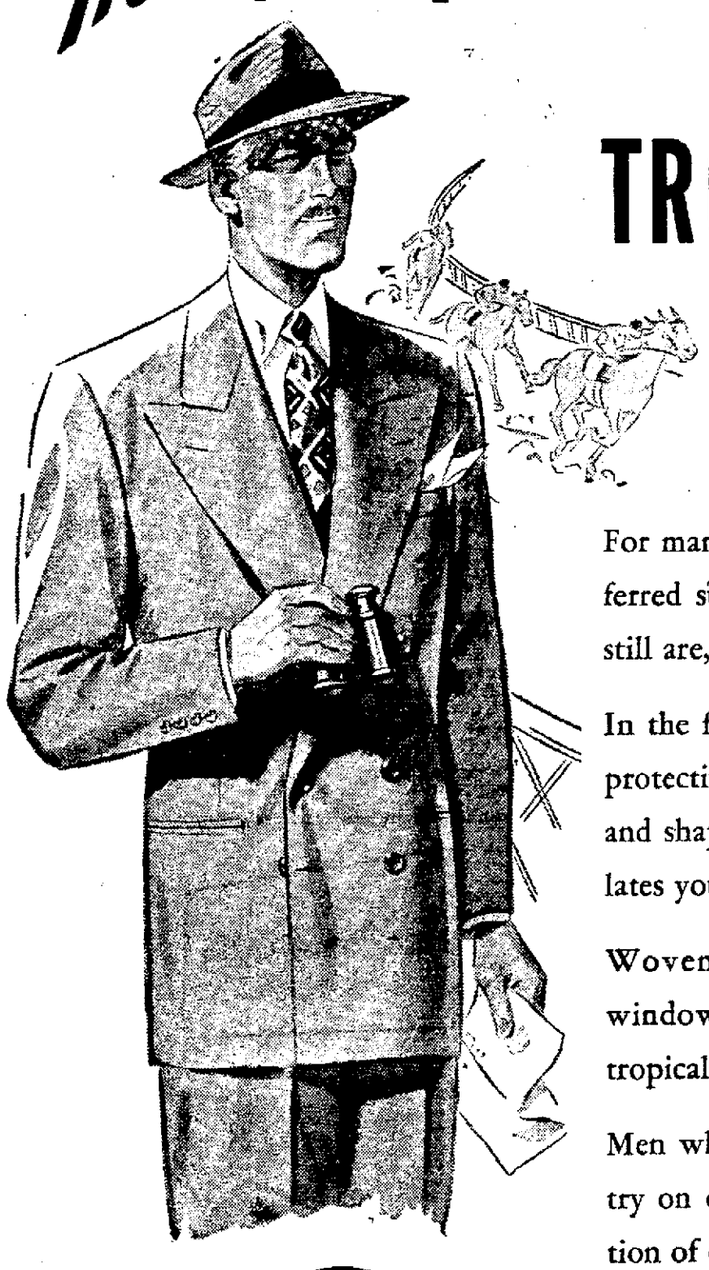
The Quality Seeker's Favorite Summer Suit



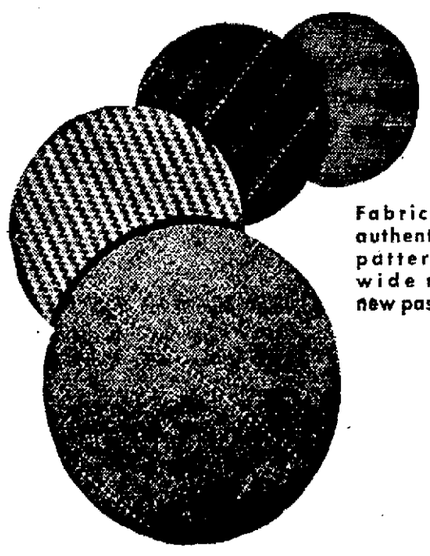
100% PURE
TROPICAL WORSTED
34.50

For many years, Tropical Worsted Suits have been the preferred summer clothes of really well dressed men, and they still are, for many good and sufficient reasons.

In the first place, tropical worsted is made of nature's own protective covering—fine, long wool that is naturally resilient and shape-holding. It quickly absorbs perspiration, and insulates you against both heat and cold.

Woven of lightweight yarns, with a million tiny open windows to let the cool air in and the warm air out, these tropical worsteds make the perfect cool suit for hot weather.

Men who want the best in summer clothes will stop in and try on one of our 1948 models. We have an excellent selection of colors, patterns, styles and sizes.



Fabrics include authentic British patterns and a wide range of new pastel shades.

Judge Moore's Selection To Hear Labor Law Case Called Suspicious

AS I PERCEIVED at the time, the trial of a section of the Taft-Hartley law before Judge Ben Moore, in Washington, was suspicious business. Justice Frankfurter later remarked that he saw evidence of an inside job. The defendants were the CIO and its psalm-singing president, Philip Murray, the Gethsemane kid. The CIO and Murray are latch-key pals of President Truman.

Frankfurter, in effect, accused the D. of J. of slipping its own client a Mickey Finn. Actually we know, and so does Frankfurter and so did Moore, that the D. of J. was politically opposed to this law.

It is a Republican law. The CIO and Murray are not only Democrats but big contributors. By the decision of Moore, who is also an avowed Democrat, his party, Truman's party and the party of the defendants would gain or lose a slush fund of millions, obtained largely by extortion from Republican voters in unions.

★

Judge Moore's party hopefully looked to him to ratify the use of that money with which it could corrupt the ballot in the 1948 presidential election. In an opinion supporting the casuistical claptrap in the defendant's own political pamphlets, Moore justified their hopes. Old Ben Moore came through.

I put it straight to Moore to say whether he ever was or never was a partner in a Charleston, W. Va., law firm which represents John L. Lewis and the United Mine Workers. I asked him to say also who plucked him out of Charleston to sit in Washington and who assigned him to this case.

Moore wouldn't answer and, although my questions obviously had no bearing on the Taft-Hartley case, he threw in a slaunchwise mention of contempt. Well, any citizen had a right to ask those questions and the bluff just made me more suspicious. However, if it was contempt he should have done his stuff.

Now let him cite Frankfurter for contempt.

We may get a more thorough statement of Frankfurter's suspicions and objections to the conduct of the D. of J. when the opinions of the Supreme court are written.

Meanwhile, I discovered why Chief Justice Vinson kept hollering at Frankfurter that afternoon. The reason was that Vinson himself selected Moore to sit in Washington. He didn't assign this particular case to Moore. That was done by some clerk, but you don't have to believe this case just happened to fall before Ben Moore.

★

T. C. Townsend, of Judge Moore's old law firm, does represent the United Mine Workers and John L. Lewis. He, or the firm, got $50,000 for a portal-to-portal job for the union. Over 30 years, the legal fees have amounted to about a million dollars. The UMW and Lewis had an interest in the case before Moore as great as that of the actual defendants. And the decision was as much a boon to them as to the CIO and Phil Murray.

Deed Hints City to Get Air Guard

35 Plane Unit May Locate Here

An indication that the 164th Fighter Squadron (Air National Guard) will definitely be stationed at the Mansfield municipal airport was received today by Mayor Roy W. Vaughn.

Brig. Gen. Kenneth Cooper, assistant adjutant general, sent the mayor a copy of a deed that can be used to convey certain airport property to the State of Ohio for the use of the ANG unit.

It was reasoned that unless the state national guard officers were giving Mansfield's bid careful consideration, they would not have bothered to forward the copy of the deed that has been approved by the state attorney general.

Mayor Vaughn and high army officers met Tuesday in Columbus to discuss locating the unit composed of 35 planes and 342 officers and men at Mansfield.

The officers indicated that they would announce their decision within ten days.

Marks Air Mail Week

Mansfield will join Saturday in celebration of the 30th anniversary of air mail service in the United States.

Merchants and industries will display posters in observance of Air Mail week which will continue through next Friday.

"Air mail service today covers routes in hours that 30 years ago required days and sometimes weeks," Acting Postmaster Curtis L. Ford said.

"Air mail requires no longer than a day to reach the most distant point in the entire nation," he said, "and the average domestic airborne letter traveled 1,402 miles last year."

Ford estimated that an average of 1,200 pieces of incoming and outgoing air mail are now being handled daily by the Mansfield post office.

"In 1919, eight planes were in operation on air mail routes," Ford said. "Today there are 796 planes in operation daily carrying domestic air mail."

Seek Change To 'Fast' Time

The week's second request that the city reconsider its decision and establish "fast time" was received today by city council.

A petition from 46 employes at Swan Cleaners was delivered to council, requesting daylight saving time.

The petitioners said the change was sought because of the confusion that has been created by the fact that Mansfield continues on Eastern Standard time while other cities in the area are on fa' time."

Earlier this week council received a simular request from the firm of Livingston, Williams and company of Mansfield and Cleveland.

100 In Senior High Perfect Attenders

The names of Barbara Perry and Marjorie Wells headed a list of Senior high school "perfect attenders" today.

At the annual Senior high school awards assembly yesterday, a list was posted of more than 100 pupils who have a record of perfect attendance for one year.

Principal Glenn G. Rohleder announced that Miss Wells had not been absent for nine years and Miss Perry had not missed a day of school for seven years.

Athletic trophies won by Senior high athletes during the last year were presented to Rohleder by members of the teams.

Martin Bricker presented the 1947 district track meet trophy and the Uhrichsville relays award; Pete Vogt, the 1947 first-place cross country trophy; Bob Troll, the Uhrichsville medley relay trophy; George Doyle, the Newark relays fourth-place award, and Martin Bricker for winning the Uhrichsville relays.

Certificates were given to 32 students for high places in the preliminary scholarship tests, district tests, and county tests given to seniors.

Margaret Lindley, John Kern, Mary Ann Harry, and Nancy Osbun were given recognition for ranking in the top ten per cent of 46,000 students who took the Pepsi-Cola scholarship test.

Raymond Stretch, Orlo Smith, Dennis Schroeder, Jed Herrmes, and Danny Bishop received stage crew letters from Earl Heasley

Visual education letters were presented to Dave Carto and Bill Eggleston for their work in the department.

Twenty-four students were awarded certificates for their special service in the library, attendance office, band, Christmas basket committee, visual education and for cashier in the cafeteria.

Robleder closed the program by announcing that Marjorie Selby had won a three-year scholarship to Curtis Institute of Music in Philadelphia.

Doctor, Wife Leave By Air For Rome

Dr. L. D. Bonar, Mansfield gynecologist and obstetrician, will leave tonight by Trans World Airline for the International College of Surgeons convention in Rome, Italy, May 18 to May 23. Mrs. Bonar will accompany him.

Dr. and Mrs. Bonar will leave Mansfield airport at 7:10 p. m. for New York. There they will board another TWA plane for Rome at 10 a. m. Sunday. They expect to arrive in the Italian capital at 3 p. m. Monday.

Dr. Bonar received his invitation to membership in the college this year. Membership is by invitation only.

The physician said he and his wife plan to spend some time in Paris and in Oxford, England, where they will visit friends. They expect to return about the middle of June on the Queen Elizabeth.

Brinkerhoff P-TA Elects Officers

Martin Merschdorf was elected president of the Brinkerhoff P-TA at a meeting last night in the school.

Others named include John Mintz, vice president; Mrs. Eugene Renwick, treasurer; and Mrs. Paul Mitchell, secretary.

Dick Imhoff, the school's coach, reported that $200 had been collected for the athletic fund. A sum of $400 is sought for uniforms and equipment for the baseball and football teams.

The retiring president, H. H. Rauschert, expressed appreciation to the members for their cooperation during his term of office.

Refreshments were served by Mr. and Mrs. Paul Mitchell and Mr. and Mrs. Clyde Willey.

Youth Lodged In County Jail

Paul Krauter, 19, of Lexington, R. D. 1, charged with contributing to the delinquency of a 14-year-old girl, was ordered remanded to the county jail, pending an investigation of his background.

Krauter yesterday afternoon entered a plea of guilty to the charge in juvenile court. The girl was ordered sent to the Bureau of Juvenile Research in Columbus for observation.

In another case, Roger Pence, 29, of the DeSoto hotel, was placed on probation for two years, on a charge of non-support of his two children since April 2, 1947. He was ordered to pay $10 per week for their support.

Police Aerial To Come Down

The 20-foot police aerial on top of the city building must come down for repairs.

Apparently struck by lightning or otherwise damaged by a storm, the aerial has been causing all sorts of trouble for the Mansfield officers who frequently get only silence when they try to communicate with any distant post.

Police Chief Jesse J. Schwab said the aerial would be taken down by the Mansfield Structural and Erecting company and shipped back to the factory.

Meanwhile, officers will get along on a "spike" aerial, specially sealed against weather.

Baby Hearing Date Uncertain

A hearing in juvenile court on an abandonment complaint regarding 29-day-old Wendell Stevens will not be held for some time.

Juvenile Judge Stuart H. Cramer today said he was "not going to be in a hurry" in setting up a time for the hearing.

He said authorities would be given every opportunity to try to find the parents to determine if they may have had "a change of heart" and want their baby back.

Since the baby was deserted, the court after a hearing would give permanent committment to the Child Welfare board. Adoption then would be handled through juvenile court.

Dozens of calls have been received from families interested in adopting the baby, found abandoned in an automobile outside Mansfield General hospital Monday afternoon.

Army Enlists 7 Area Youths

Enlistment of five area youths in the U. S. Air Force was announced today by the recruiting station in Mansfield. Two other youths enlisted in the regular army.

Signed for duty with the Air Force were Junior W. Leitch, 19, of 23 Baldwin avenue; Richard E. Garverick, 19, Concord avenue; Robert E. Lomax jr., 18, Lucas, R. D. 1; Jerry E. Conners, 18, of 944 Belmont avenue, and Francis E. Paulo, 20, Shelby, R. D. 1.

Enlisting in the regular army were Robert Smith, 24, of 413 Lida street, and Carl R. Fisk, 27, of 528 Johns avenue. Smith was assigned to the Fifth Infantry division at Ft. Jackson, S. C., and Fisk enlisted in the counter-intelligence corps.

Leitch will receive training as a draftsman at Ft. Warren, Wyo., after he completes basic training. Garverick will be assigned to Lowry Air Force Base, Denver, Colo., while Lomax, Conners, and Paulo have left for Lackland Air center, San Antonio, Texas.

Suggested Revisions Listed

Questionnaire Answered By 70

An 11-point program of recommendations for revision of classroom practices in Mansfield schools was announced today by the Mansfield Federation of Teachers.

Reporting the results of a fact-finding survey, the federation, in its publication, "Education for Democracy, Democracy in Education," says the 11 points were compiled from the replies of 70 teachers who answered a questionnaire sent to 243 Mansfield school teachers.

The survey was designed, it says, "to determine what recommendations the classroom teachers could make regarding ways and means to improve the school's service to the community.

The recommendations, as listed by the federation follow:

1—Reduce the size of classes so that pupils may receive more individual attention.

2—Give elementary teachers a preparation period during the school day for clerical work, etc.

SEGRAGATE PUPILS

3—Segregate pupils according to ability. Today's practice causes the classroom routine to be geared to the speed of the medicore.

4 — Place the elementary physical education program in the hands of a special teacher. Classroom teachers should not be expected to supervise athletic activities and playground programs in addition to their regular teaching schedules.

5—The proper authorities should function more efficiently in order that essential school supplies be on hand at the beginning of the school year.

6—The survey suggests that a representative group of classroom teachers should attend all meetings where administrative policy is being formulated. A more wholesome working relationship between principals and teachers is to be expected if teachers have a voice in policy making.

BE REDESIGN STUDY

7—Our course of study needs to be re-designed to prepare students for life instead of so much emphasis on preparation for college. The survey indicates the opinion that a preparation for life is preparation enough for college.

8—Teachers feel that pupil-needs may be better served if teachers have more voice in the selection of room equipment, library facilities, and other teaching aids.

9—Further study should be made toward closer correlation of subject matter fields. Some work has been done by the English Council and by the more recently formed Mathematics Council, but more needs to be done. For instance why must a commercial student who takes typewriting in the ninth grade wait until the eleventh grade to continue advanced study?

PAY FOR EXTRA WORK

10—Athletic personnel receive higher average compensation than classroom teachers. The reason seems to be that athletic personnel spend extra time outside of school hours. Much dissatisfaction could be eliminated, the survey indicates, if all extra-curricular work, such as newspaper editors, class advisers, etc., that require work outside of school hours receive adequate compensation.

11—Discipline could be improved if administrative personnel were willing to assume more responsibility, and if there could be a standard policy evolved.

The second phase of the survey disclosed that 15 professional organizations have membership listed among teachers in the city of Mansfield. Six teachers stated their membership in one or more of these professional organizations was other than voluntary.

Club Owners Named In Suit

A New York firm yesterday sued John P. Hergatt and John B. Miller, owners of the Ringside Night club, for $246 for breach of contract.

The action, filed in common pleas court by Dispatch Photo News Service, Inc., of New York, contends the firm was damaged when the defendants refused to accept sports photos in accordance with their agreement.

The firm says supplying of a three-wing photo frame and sports photos weekly was agreed on July 9, 1946, but the defendants refused to take any photos after June 16, 1947.

Hergatt and Miller paid $66 for the service and the agreement was to run two years, the petition said. The photo firm is represented by Attorneys James J. Mayer and A. B. Mabee.

Mansfielder Named Editor Of Ohio State Lantern

By LARRY MURPHY
News-Journal Correspondent.

COLUMBUS—Lee R. Adams, junior in the School of Journalism at Ohio State university, last night earned that school's most coveted student position by being named editor of the Ohio State Lantern for the 1948-1949 academic year.

Adams, who has been one of the rotating daily news editors for several months, was presented as the news editor by Dr. James E. Pollard at the journalism school's annual "Rib N Roast" banquet.

The nomination had been carefully kept secret until the last minute. To a greatly surprised Adams and a wildly cheering crowd, Dr. Pollard declared: "You join a long list of distinguished Lantern editors."

Just a few hours earlier, Adams had been initiated into Sigma Delta Chi, top ranking journalistic fraternity.

Frederick J. Pfeifer, management major in the School of Journalism, was likewise singled out by undergraduate colleagues for admission to Sigma Delta Chi.

Bith Adams and Pfeifer contributed to the success of the evening's entertainment by taking part in a skit ribbing and roasting the squirming professors.

District Track Meet Slated Tomorrow

Cuff Stuff

By Fred Tharp

(News-Journal Sports Editor)

THIS SKISH business went over with a bang at the YMCA. . . . In fact so much interest has been shown in the indoor casting sport that Maurice Taylor, "Y" general secretary, hopes to form a YMCA Skish club in conjunction with the Richland County Game and Fish Protective association. . . . He would like to see other Mansfield youth organizations form clubs for the purpose of competition. . . . Mayor Roy Vaughn has completed 17 years of bowling in the Commercial "B" bowling league. . . . He averaged 153.28 pins this year. . . . Madison's two new athletic coaches — Ennis Walker and Blaine Dowler—at-

tended the Cleveland Browns' football clinic two weeks ago. . . . Ram officials plan to renovate the track around the grid field before next spring. . . . The new steel bleachers at the Madison grid plant will be erected beyond the cinders. . . . It will give Madison's new track team next spring a place to hold night track meets. . . . Something that is impossible at Senior high. . . . Citation is the fifth Hialeah-trained colt to win the Kentucky Derby in the last eight years.

SEVEN BIG 9 conference track champions will defend their titles in the 1948 meet at Wisconsin May 28 and 29. . . . Bill Porter, Northwestern, is the only returning double winner. . . . He copped both hurdles last year. . . . The other defending champs are: Herb Barten, Michigan, 880; Don Gehrman, Wisconsin, mile; Dick Eddlemen, Illinois, high jump; Charles Fonville, Michigan, shot put; Fortune Gordien, Minnesota, discus throw, and Tom Bennett, Wisconsin, who tied for first in the pole vault.

★

KEN KELTNER, the leading home run smacker of the young baseball season, hit 124 home runs in his first 10 seasons with the Indians. . . . That's an average of 12.4 per season. . . . So far this year Ken has clouted 10 pitches out of the park. . . . His life-time batting mark is .276 . . . Approximately 3,200,000 bricks were used to pave the Indianapolis Speedway. . . . State high school track, golf and tennis championships will be staged in Columbus May 21 and 22. . . . The baseball finals are listed May 28 and 29.

29 Schools Entered In Two Classes

Ten Class A and 19 Class B schools will go after track and field championships in the annual district competition tomorrow on the Stadium field cinders.

Race for both titles is wide open, although the defending champs—Mansfield Senior high in Class A and New London in Class B—are slight favorites to repeat. The Tygers have won six straight titles and New London, three.

The star-loaded Sandusky and Ashland teams figure to give Harry Mehock's Senior high thinclads a terrific run for their money. Sandusky has three defending individual champs while Mansfield has only one—Marty Bricker in the high hurdles.

STREAK STARS

Bill Smith, middle distance man, and Ernie Nimmons, sprinter, are the big guns for the Blue Streaks. Smith won the 440 and 880 last year and Nimmons copped the 100. The latter lad took seconds in the 220 and broad jump and tied Mansfield's Ollie Cline for point laurels with 15.

Twenty-four lads who won points in 1947 are back in the Class A field. Mansfield has only five of the group but figures to gain most of its points through superb team balance. The Tygers have won four of five dual meets, copped the Urichsville relays, placed second in the Canton McKinley relays and took fourth in the Newark relays.

SPRINT THREATS

Ashland's Jesse Poorbaugh, who placed second in the century and fifth in the 220, is another top threat. Ron Myers, Galion and Frankie Clemons, Sandusky, both in the money last year, and Tom Tucker, Mansfield, are the other sprint threats. Poorbaugh has the best century time of 10 flat while Tucker has raced the 220 in 22.3.

Mansfield's other sure point getters should be Burt Lindsay, the district's best shot put and discus man; A. C. Jenkins, soph hurdler; Don Cline, who has turned in the best leap of any of the pole vaulters; Willie Fowler and Paul Ferguson, high jump; and Paul Hammond and Pete Vogt in the distance runs.

Lindsay was second in the shot in 1947, Ferguson took fifth in the high jump, Hammond was fourth in the 880 and Votg took fourth in the mile.

PLENTY OF PUSH

Bricker should get plenty of push in the high sticks from George Davis and Ken Reed, Ashland and Dave Krupp, Port Clinton. All places last year while Davis was district champ in 1946.

Reed was second in the lows last year but both Bricker and Jenkins have turned in better times this season. Tucker has turned in the district's best broad jump but has been hobbling around on an injured leg and may not be ready.

Milt Bruckner, Bellevue, was second in the mile in 1947, while John Fortney, Ashland, tied for second in the high jump. Fortney and Fowler have each cleared 5-10.

Mansfield won the 1947 title with 70½ points, while Sandusky had 42½ and Ashland 34½. Bellville, Richland county champs, should be among the top Class B schools.

The entrants follow:

Class A—Mansfield, Sandusky, Ashland, Upper Sandusky, Bellevue, Bucyrus, Port Clinton, Galion, Wooster and Tiffin Columbian.

CLASS B—Bellville, Lexington, Lucas, Ontario, New London, Holmes-Liberty, Chatfield, Marseilles, Berlin Heights, Eden, Harpster, Sulphur Springs, New Washington, Green Springs, Whetstone, Townsend, Vermilion, North Robinson and Monroeville.

TALK OVER TOURNEY—Senior high tennis players compare rackets they will use in the district tournament today in Bowling Green. Rod Blahnik, left, and Jim Shelly, center, will represent Mansfield in doubles while Jim Gandert will enter singles competition.—(News-Journal staff photo)

Johnny Appleseed Loses To Mt. Vernon, 56 to 44

MT. VERNON—The Johnny Appleseed track team was turned back 56-44 here yesterday by the Mt. Vernon reserve squad.

Appleseed took only four firsts in individual events. Harry Carr copped the century, John Ernsberger the 440, Joe Diemer the high jump and Jay Herbert the pole vault. Mansfield won both the 440 and 880 relays.

Joe Frisch Fires 35 To Lead Sons Of Herman Loop

Joe Frisch shot a one-over-par 35 to pace the Sons of Herman golfers over the rainsoaked Coolridge golf course yesterday.

Pete Zimmerman and Steve Stirtzinger chipped in with 37's while Joe Kasper had a 38. Jake Gaubatz, Nick Loris and Richard Gaubatz all had 39's.

13 Horses Enter Cranwood Feature

CLEVELAND — (INS) — Thirteen horses were entered today for the Cleveland News handicap, $3,000 six-furlong feature on tomorrow's racing program at Cranwood in Cleveland.

Some 3,000 fans turned out for yesterday's running, which was featured by an eight-length victory on a muddy track by Outrider in the second race. He returned $6.40 to win.

Newark Car Race

NEWARK — A pair of newcomes to Jones Speedway dirt tracks have made entries for the Sunday program at the oval just east of Newark on Route 16—Clarence Traxler of Sandusky and Bill Grauman of Marysville being the pair whose entries have boosted the field to 31.

Liederkranz Hot In ABC At Detroit

DETROIT, Mich.—Liederkranz five, of Mansfield, just missed a money count when it rolled 2635 last night in the American Bowling Congress tournament. A second Mansfield five, Jerry's 36 Bar, shot 2525.

Paul (Horse) Walrick led the group with 184-184-174—542 while Jake Hoff rolled the highest single game, a 214.

State Battles Michigan In Big 9 Track

ANN ARBOR—(INS)—The western conference's top outdoor dual track meet of the season is in prospect tomorrow when Michigan's Wolverines entertain Ohio State's Big Nine indoor champions.

Nine present and former Big Nine and national collegiate champions are scheduled to appear, and the meet should serve as a preview of the conference meet May 28-29 at Madison, Wis.

Ohio State, paced by Mal Whitfield and Lloyd Duff, looks like the best bet to throw a monkey wrench in Michigan's bid for a grand slam of major Big Nine titles.

Best races of the day are in prospect in the mile and half mile where Michigan's double champion, Herb Barten, will oppose the sensational Whitfield in the 880 and Bill Clifford in the mile.

Michigan's Charley Fonville, holder of the world shot put record, will dominate that event. Ohio State has a clear edge in the hurdles, broad jump and pole vault, the events in which the versatile duff specializes.

Practice Data

The Sons of Herman and Komito's Clothes softball teams will meet in a practice game at 5:30 p. m. today on John Todd park.

Practice sessions for other teams scheduled for that time include: Greystone at Liberty park; Post 72 at Johns park; St. Matthews at Prospect and VFW at North lake.

Tomorrow's practices include Farm Tools at 2 p. m. at North Lake park, Four Square Gospel at Johns, and Central Methodist at Prospect, both at 3 p. m. The Prospect park team will hold its final practice at 10 a. m. Saturday and contracts will be signed.

Tyger Tennis, Golf Teams In Meets

The Senior high tennis team, fresh from its first victory of the season, was in Bowling Green to try for another win—this time in the district tournament.

Eleven schools are entered in the tourney slated for the Bowling Green State university courts.

Coach Fred Staub revealed before leaving with the Tyger netmen this morning that Jim Gandert, Jim Shelly and Rod Blahnik would represent Senior high on the court.

Senior high won its first tennis match of the season Wednesday, defeating Norwalk 6 to 1. The Tygers had been defeated in their three previous tries.

DEFENDS CROWN

Jay Webb of Ottawa Hills will defend his singles crown against the chief threats, Jim Blough of Sandusky, Hiatt Ward of Toledo Devilbiss, Dick Baron of Fremont and Mansfield's Jim Gandert. Last year's district doubles champions from Devilbiss have graduated, leaving the field open.

★

Rated as having a better chance to succeed than the tennis team is the Tyger golf squad which will leave for district play at 6 a. m. tomorrow. Twelve teams will compete over the Findlay Country club links.

The golfers have been defeated only once in five outings, having beaten Shelby yesterday by a 9-6 score over the Possum Run links.

Larry Inscore was medalist yesterday as he shot a 41-40—81 to win three points from Perihan who had 48-47—95. In other matches, Tony Taddeo won three points on 44-44—88 over Boreman's 48-47—95; Jim Chamberlain won a point and a half with 46-42—88 from Wilkinson who had 44-46—90; Ed Percy shot 49-51—100 to drop two points to Yohn who had 43-52—95, and Steve Demyan salvaged only a half point with a 52-44—96 against Dennis' 43-48—91.

Inscore will play leadoff in the tournament followed by Taddeo, Chamberlain and Demyan. Medal scores of the four players are added to determine a team's rating.

Grays Meet Lorain Nine In 2nd Tilt

After starting the season off on the wrong foot by losing to Marion VFW last week, the Mansfield Grays are preparing to tackle the strong Lorain Chicks at 2:30 p. m. Sunday at Blue Goose field.

Manager Lefty Deeds bemoaned the fact that only one first-string pitcher was on hand for last Sunday's game. He plans to carry a staff of four first-rate hurlers during the remainder of the season. Don Fought started last week's game and will probably be on the hill against Lorain.

League Softball Opens Monday

Four of Mansfield's five softball leagues will begin operation next Monday night.

A pair of games in the Park loop will open festivities. Twenty-two teams will compete in the four leagues sponsored by the Mansfield softball commission and 11 or 12 will play in the YMCA's Church league. The Church league will open competition on May 27.

The Independent league will play Tuesday nights, the Industrial Wednesdays and the Club circuit Fridays.

Complete league rosters follow:

Park league—Prospect, North Lake, Johns and German-Rupp juniors.

Independent league—Komito's Clothes, Ohio Sport Center, Pena Auto-Sporting Goods, American Legion Post 72 and Greystone Nite club.

Industrial league—Tappan Stove, Farm Tools, Mansfield Tire, Ideal Electric, Dominion Electric, Telephone Company, Cole's Tool and Dye.

Club league—Sons of Herman, American Veterans Committee, Moose lodge, Veterans of Foreign Wars, Amvets and American Legion Post 16.

Church league—St. Paul's, St. Matthew's, St. Luke's, First Methodist, Park Avenue Baptist, First Presbyterian, United Brethren, First Congregational, B'nai B'rith, Four Square Gospel, Grace Episcopal and First Lutheran.

Umpires can pick up balls and score sheets at the Recreation Department, 14½ West Fourth, Saturday mornings. The winning team must return the score sheet to the "Rec" Department immediately following each game.

The Church league managers will meet Monday at 7:30 p. m. at the "Y."

Giants, Pirates Running One-Two In National

Poat Kayoes Cards, 5 to 0, On 2 Hits

By LES CONKLIN

NEW YORK—(INS)—The first phase of baseball's intersectional warfare was ended today with the standing of the clubs still topsy-turvy in both major leagues because of unexpected developments in pitching strength.

In the National league, we have the strange spectacle of the New York Giants and Pittsburgh Pirates running one-two. The Giants boast three good pitchers and the Pirates have been getting top results from a staff of old men.

The pitching of the St. Louis Cardinals has been good, as expected, but the club is in third place. Bill Voiselle has come through with four straight wins for the Braves, but the two Boston aces, Warren Spahn and Johnny Sain, have not gotten started yet.

UNHERALDED PITCHERS

In the American league, the Philadelphia Athletics have won 10 straight and are in first place with an unheralded mound staff which has held the opposition to 31 runs in the last 93 innings. Detroit's pitching corps has not lived up to expectations, and the Boston Red Sox have lost Tex Hughson.

The New York Giants took over first place in the National league yesterday when Ray Poat uncorked a dazzling two-hitter and blanked the Cardinals 5 to 0. George Munger was the losing hurler.

The Giants won four out of six in the west.

Brooklyn's Dodgers broke even on the tour. Yesterday two Dodgers who had faced being shipped to the minors next week led the Brooks to a 9 to 3 win over Cincinnati. Preacher Roe held the Reds to six hits, and Don Lund hit a three-run homer.

Cincinnati has now lost seven straight games.

BILL BLANKS CUBS

Bill Voiselle, the surprise bellwether of the Boston Braves' mound corps, stymied the Chicago Cubs with a four-hit, 2 to 0 shutout. Hard-luck Johnny Schmitz limited the Beantowners to a like amount of hits, but had his fourth defeat of the season chalked up against him.

The Pirates chased the veteran Dutch Leonard and trounced the Phillies 5 to 1. The victory was credited to Bob Chesnes, the $65,000 sore-armed bauble from San Francisco, who left the game in the seventh inning with a blister on his pitching hand.

Other teams were idle.

Sande Is Cleared Of Doping Charge

NEW YORK — (INS) — Earl Sande, former jockey and well known horseman who has been cleared of federal charges in an alleged doping case, was congratulated on all sides in the racing world today.

He cannot resume his training activities until mid-summer, however. The Jockey club previously announced that its 60-day suspension of the 49-year-old Sande would stand no matter what decision was reached by the grand jury.

Begins May 19

LEBANON —(INS)—Purses and stakes will total more than $75,000 for the Lebanon Trotting association's 19-night harness meeting beginning May 19. Track President Harry N. Faxtein said approximately 400 horses are expected.

Piles Are Never "Mild"

DANGER IN NEGLECT

No one should ever think of piles (hemorrhoids) as a "mild" disorder.

Although they may seem a "mild" ailment, especially when not giving pain or inconvenience, piles are in fact tumor formation without tendency to heal themselves; instead, they are likely, if neglected to keep increasing in size, involving more and more of the rectal area.

Even a so-called "mild" case may be expected to undermine one's health, by inviting, predisposing to or aggravating other ailments, such as: indigestion, billiousness, stomach trouble, constipation, headaches, pain in back and down the legs, secondary anemia with its run-down tired feeling, and general nervous irritability.

Removal of piles is the only permanent relief—written guarantee. My method produces little or no discomfort, does not require the use of knife or drugs, and seldom is the patient required to lose any time from work or other duties.

Why not call and learn of this method? The examination is free.

Joe Chambers Creates Minor Flurry In ABC

DETROIT — (INS) — The American Bowling Congress' 80-day tournament at Detroit went into its eleventh straight day today in which there have been no changes among the leaders on the standings board.

Joe Chambers, of Lima, O., supplied the only excitement in the matinee events yesterday when he strung 199, 249 and 233 for 681.

Three Horses Will Chase Citation In Preakness

By LEO H. PETERSEN

BALTIMORE, Md.—(AP)—The question before the Preakness entry box at Pimlico today was:

How many horses don't know any better than to match strides with Citation, the Calumet comet, in tomorrow's 57th annual running of the $100,000 added Preakness stakes.

It looked like the answer was going to be three.

While their task and objective seemed to be a helpless one, their effort will not go for naught. Even the last horse in the field will pick up $5,000, so each owner of the trio of three-year-olds daring enough to challenge the Kentucky Derby winner will pick up cash.

Expected to be entered against Citation were Sylvester W. Labrot jr.'s Bovard, C. V. Whiteney's Vulcan's Forge, and King Ranch's Better Self.

CAN'T LOSE MONEY

They figure to lose the race—but no money. First place will be worth about $95,000 with $20,000 to second, $10,000 to third and $5,000 to fourth. Citation and Bovard, the only Maryland bred horse in the race, were supplemental entries, so their fees to start in the Preakness total $3,135. Since it cost only $1,135 for Better Self and Vulcan's Forge, if either come in a bad last the net profit still will be $3,865.

The definite withdrawal of William Helis' Salmagundi narrowed the field of probable starters to four. It also led the Maryland Jockey club, operators of Pimlico, to request the Maryland state racing commission to limit the betting on the second leg of turf's triple crown to win only. It was granted.

Even so, Pimlico figured to lose money on the race because Citation appeared a sure bet to go off a 1 to 10 shot. Should he win, there will be a minus pool.

Cowles Resigns, Takes New Post

MINNEAPOLIS — (AP) — Osborne (Ozzie) Cowles, who pulled the University of Michigan basketball team from seventh place to the top of the Big Nine conference in two years, today was named head basketball coach at the University of Minnesota.

Cowles will replace veteran Dave MacMillan who resigned at the end of the 1947-48 season after 18 years ostensibly because of poor health.

Gets Television

CLEVELAND —(INS)— Tomorrow's baseball game between the Cleveland Indians and Chicago White Sox at the Stadium will be televised.

Ashland College Wants New Loop

ASHLAND —(AP)— Ashland college will resign from the 22-member Ohio conference during the spring meeting at Delaware May 28, the faculty athletic committee announced yesterday.

The committee said an attempt is being made to form a new league with Hiram, Defiance, Bluffton, Cedarville, Rio Grande and Ashland. Representaiives of these schools are scheduled to meet here May 23 to discuss the proposed league.

Annual Spring Tilt

NOTRE DAME, Ind.—Featuring the farewell local appearance of three of Notre Dame's greatest All-Americans, quarterback Johnny Lujack and tackles George Connor and Ziggie Czarobski, the Old Timers will clash here Saturday in Notre Dame stadium against the Varsity in the annual contest which marks the end of spring practice.

Measles Hold Up Tex's Trip

BOSTON —(INS)— A case of measles will delay Tex Hughson's return to the Minors.

The lanky one-time great of the Boston Red Sox was scheduled to leave today for Austin, Texas, of the Class B big state league. It is there that he hopes to work his twice-operated upon right arm into shape.

But Tex's six-year-old daughter, Dixie Anne, caught the measles, and Hughson will wait till she's ready for the long automobile trip south.

YESTERDAY'S STARS
(By Associated Press)

PITCHING: Ray Poat, Giants—Pitched New York into National league lead with two-hit shutout over St. Louis, 5-0.

BATTING: Jackie Robinson, Dodgers—Drove in three Brooklyn runs in 9-3 win over Cincinnati with double and two singles.

Gets Hole-In-One

COLUMBUS —(INS)— Tom Nieporte, Ohio State freshman golfer from Cincinnati, scored a hole-in-one yesterday on the 175-yard eighth hole of the University Scarlet course. He played a round of 70 although it rained during the last nine.
